Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This guide provides important safety instructions to ensure the safe and effective use of this product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Follow all local laws and regulations regarding ammunition reloading and usage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury from improper handling of reloading equipment.
- Risk of explosion or fire if improper components are used.

- **Avoiding Hazards:**

- Always use the correct caliber components as specified in the product guidelines.
- Ensure that the workspace is clean and free of any flammable materials.
- Do not exceed recommended loads as specified in reloading manuals.
- Keep fingers and tools clear of moving parts during operation.

- **Age Specific Warnings:**

- This product is not intended for use by individuals under the age of 18. Ensure adult supervision when used by younger individuals.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is unplugged and not in operation.
- Remove any existing shellplate and components from the machine.
- Install the new shellplate by aligning it with the mounting points and securing it firmly.
- Attach the powder funnel and locator buttons as per the installation instructions provided with the kit.

2. Usage:

- Set up your reloading press according to the manufacturer's instructions.
- Check that all components are securely installed before beginning the reloading process.
- Follow the specific reloading procedures for the 6mm BR Norma and 7mm BR (Benchrest) Remington cartridges.

- Monitor the reloading process closely for any irregularities.

Disposal Instructions

- Dispose of any unused components or packaging materials in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste; consult local hazardous waste disposal guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product use, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety guidelines. Enjoy your reloading experience safely and responsibly.
