# Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

## Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This guide provides important safety information to ensure the safe use of this product. Please read and follow these instructions carefully to minimize risks and ensure a safe reloading experience.

## General Safety Guidelines

- Always follow the instructions provided with your reloading press and conversion kit.
- Keep the workspace clean and organized to avoid accidents.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling reloading materials.
- Ensure that children and pets are kept away from the reloading area.
- Store the conversion kit and all reloading components in a secure location.
- Familiarize yourself with the specific hazards associated with the reloading process.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Risk of injury from moving parts during operation.
  - Risk of burns from hot components or materials.
  - Risk of exposure to lead and other hazardous materials.
- **Avoiding Hazards:**
  - Always keep hands and clothing away from moving parts.
  - Allow the reloading press to cool down before handling.
  - Wash hands thoroughly after handling lead or other reloading materials.
  - Ensure proper ventilation in the reloading area to minimize inhalation of dust or fumes.
- **Age Restrictions:**
  - This product is intended for use by individuals aged 18 and older. Ensure that younger individuals are supervised and educated on safe handling practices.

## Instructions for Installation and Usage

- **Installation:**
  1. Unpack the conversion kit and verify that all components (Shellplate, Powder funnel, Locator buttons) are included.
  2. Refer to the reloading press manual for specific installation instructions.
  3. Install the Shellplate by aligning it with the press and securing it in place.
  4. Attach the Powder funnel to the appropriate station on the press.
  5. Insert Locator buttons as per the reloading press instructions.
- **Usage:**
  1. Before starting, ensure that the reloading press is properly set up and that all components are

securely installed.

2. Use the correct caliber and type of materials as specified in the reloading press manual.
3. Follow the reloading sequence as outlined in the reloading press instructions.
4. Regularly inspect the conversion kit for wear or damage before each use.
5. If any issues arise during operation, stop immediately and consult the manual or seek assistance.

## **Disposal Instructions**

- Dispose of any unused or expired reloading materials according to local regulations.
- Recycle packaging materials where possible.
- Do not dispose of lead or other hazardous materials in regular trash. Check local guidelines for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the manufacturer's contact information provided in the product packaging or manual.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with your Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit. Always prioritize safety and stay informed about best practices in reloading.
