Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers, specifically the 204 Ruger model. This guide provides essential safety instructions to ensure the safe and effective use of your conversion kit. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that all components are compatible with your reloading press model before use.
- Store the conversion kit in a cool, dry place away from direct sunlight and moisture.
- Keep the kit out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, including safety glasses and gloves, when using reloading equipment.
- Familiarize yourself with the reloading press manual and follow all safety instructions provided therein.

Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware of the risks associated with reloading ammunition, including but not limited to:
 - Accidental discharge of firearms.
 - Exposure to lead and other hazardous materials.
 - Improper handling of reloading components.
- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that minors are supervised by a responsible adult during use.
- **Proper Handling:** Always handle the conversion kit and its components with care to avoid damage or injury.
- **Inspection:** Before each use, inspect the shellplate, powder funnel, and locator buttons for any signs of wear or damage. Do not use damaged components.

Instructions for Installation and Usage

1. Preparation:

- Ensure your Dillon reloading press is turned off and unplugged.
- Gather all necessary tools and components for installation.

2. Installation:

- Remove any existing shellplate from your reloading press.
- Select the appropriate shellplate for the 204 Ruger caliber from the conversion kit.
- Install the new shellplate by following these steps:
 - Align the shellplate with the press.
 - Secure it in place according to the reloading press manual.
- Attach the powder funnel and locator buttons as specified in the manual.

3. Usage:

- Follow the reloading press manual for proper operation.
- Always doublecheck that the shellplate is securely attached before starting the reloading process.
- Use only the recommended powder and bullets for the 204 Ruger caliber.

- Maintain a clean workspace to minimize the risk of accidents.

Disposal Instructions

- Dispose of any unused or expired components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods for hazardous materials.

Contact Information for Further Support

For any inquiries or concerns regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please consult the appropriate customer service channels for assistance. Ensure that you have the product details ready for a more efficient response.

Important Note: Always stay informed about product recalls and safety alerts through official channels. Report any unsafe products or accidents to the relevant authorities immediately.
