Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers, specifically the 243 WSSM (Winchester Super Short Mag). This product is designed to enhance your reloading experience while ensuring safety and efficiency. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Ensure that all equipment is used according to the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using reloading equipment.
- Keep the workspace clean and organized to prevent accidents.
- Store all components and tools in a safe place, out of reach of children and pets.
- Regularly inspect your equipment for any signs of wear or damage before use.
- Do not use this product for any purpose other than intended.

Specific Safety Precautions for Use

- Always ensure that the reloading press is on a stable and secure surface.
- Before starting the reloading process, doublecheck that all parts are correctly assembled.
- Avoid overloading the reloading press and follow the recommended specifications for the caliber being used.
- Be cautious of hot surfaces and materials, especially when working with powder and primers.
- Do not smoke or have open flames near the reloading area.
- In case of any malfunction or unusual behavior of the equipment, stop using it immediately and consult the manufacturer.

Instructions for Installation and Usage

1. Unboxing the Kit:

- Carefully remove the contents of the kit from the packaging.
- Ensure that all components are present: Shellplate, Powder funnel, Locator buttons.

2. Installation:

- Refer to the reloading press manual for specific installation instructions.
- Attach the Shellplate to the reloading press according to the manufacturer's guidelines.
- Install the Powder funnel in the appropriate position.
- Place the Locator buttons in their designated areas to ensure proper alignment.

3. Using the Kit:

- Prepare your workspace by ensuring that all necessary tools and materials are within reach.
- Follow the reloading press manual for detailed instructions on how to operate the press with the conversion kit.
- Load the appropriate caliber and ensure that all safety precautions are observed during the reloading process.

4. PostUse Care:

- After using the conversion kit, clean all components to prevent residue buildup.
- Store the kit in a dry, safe place, away from children and pets.

Disposal Instructions

- Dispose of any unused or expired components in accordance with local regulations.
- Do not dispose of hazardous materials, such as powders and primers, in regular trash.
- Contact your local waste management authority for guidance on the proper disposal of reloading materials.

Contact Information for Further Support

For any inquiries or further assistance regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the manufacturer's contact information provided in the product packaging or manual.

Thank you for your attention to these safety instructions. Following these guidelines will help ensure a safe and enjoyable reloading experience.
