Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

Introduction

Thank you for purchasing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers, specifically designed for the 460 Weatherby Mag cartridge. This safety instruction guide provides important information to ensure safe usage and maintenance of your product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand these safety instructions before using the product.
- Ensure the product is used only for its intended purpose as specified in the product documentation.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any malfunction or damage, cease use immediately and seek professional assistance.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the Dillon RL550 / RL450 / RL300 / AT500 / BL550 machine is properly set up and secured before installation of the conversion kit.
- Always wear appropriate safety gear, including eye protection and gloves, when handling reloading equipment.
- Handle all components of the conversion kit with care to avoid injury.
- Do not exceed the recommended load specifications for the 460 Weatherby Mag cartridge.
- Avoid distractions while using the reloading press to maintain focus and safety.
- Ensure that the work area is welllit and free from clutter to prevent accidents.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the reloading press is turned off and unplugged (if applicable) before installation.
2. **Gather Tools:** Collect necessary tools for installation, such as a wrench or screwdriver if required.
3. **Install Shellplate:**
 - Remove the existing shellplate from the press.
 - Align the new shellplate for the 460 Weatherby Mag cartridge with the mounting points.
 - Secure the shellplate in place according to the manufacturer's instructions.
4. **Install Powder Funnel:**
 - Attach the powder funnel to the shellplate, ensuring a snug fit.
5. **Position Locator Buttons:**
 - Insert locator buttons into the designated positions on the shellplate.
 - Ensure they are firmly in place for accurate cartridge alignment.

Usage

- Follow the specific reloading instructions for the 460 Weatherby Mag cartridge as provided by the manufacturer.
- Regularly check the powder charge and bullet seating depth to ensure consistent and safe ammunition production.
- After each use, clean the components of the conversion kit to maintain performance and longevity.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the product is damaged beyond repair, ensure it is disposed of in an environmentally friendly manner, following local waste disposal guidelines.

Contact Information for Further Support

For any inquiries or concerns regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the manufacturer's website or customer service channels for assistance.

By following these safety instructions, you can help ensure a safe and effective reloading experience. Thank you for choosing Dillon products.
