

# REM700 MODEL 7 PRIMARY - RIGHT - - TRIGGERTECH Rem Model 7 Primary - Right - Straight Flat (PVD Black)

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Material Details

1. Housing: 7075 Aluminum (anodized)
2. Key Components: 440C Stainless Steel
3. PVD Black – PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

## Description

Featuring TriggerTech's Frictionless Release Technology™, this drop-in trigger provides a true zero-creep break, extremely short over-travel and offers outstanding reliability, even in the harshest environments. Utilizing Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

# TRIGGERTECH REM700 MODEL 7 PRIMARY RIGHT TRIGGER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the TRIGGERTECH REM700 MODEL 7 PRIMARY RIGHT TRIGGER. This product is designed for enhanced performance and reliability. To ensure your safety and the safety of others, please read and follow these guidelines carefully.

## General Safety Guidelines

- Ensure safe use of the trigger by following all instructions provided.
- Be aware of the risks associated with the use of firearms and their components.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep firearms and their components out of reach of children and unauthorized users.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- If you notice any irregularities, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- Always ensure that the firearm is pointed in a safe direction when handling.
- Use the trigger only with compatible firearms as specified by the manufacturer.
- Avoid using the trigger in wet or humid conditions to prevent corrosion.
- Do not modify or alter the trigger in any way, as this may compromise safety and performance.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Ensure that the firearm is unloaded when installing or removing the trigger.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger according to the firearm's manual.
- Carefully install the TRIGGERTECH REM700 MODEL 7 PRIMARY RIGHT TRIGGER following the provided instructions.
- Ensure all components are securely fastened and functioning properly before use.

### 2. Usage:

- Always perform a function check after installation to ensure proper operation.
- Familiarize yourself with the trigger's operation before using it in the field.
- Practice safe shooting habits and follow all applicable laws and regulations.

## Disposal Instructions

- Dispose of the trigger and any packaging materials in accordance with local regulations.
- Do not dispose of in regular household waste if it contains hazardous materials.
- Contact your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For any inquiries or safety concerns regarding the TRIGGERTECH REM700 MODEL 7 PRIMARY RIGHT TRIGGER,

please refer to the manufacturer's website or customer support.

By following these safety instructions, you can ensure a safer experience with your TRIGGERTECH product. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important guidelines.
