JAE Accessories Picatinny SM Safety Instruction Guide

Introduction

Thank you for choosing the JAE Accessories Rails Picatinny SM. This product is designed to enhance your equipment with reliable and sturdy mounting options. To ensure safe and effective use, please carefully read this safety instruction guide before installation and usage.

General Safety Guidelines

- Always inspect the product for any damage or defects before use.
- Ensure that the product is suitable for your specific equipment and intended use.
- Follow all instructions provided in this guide to avoid hazards.
- Keep this guide for future reference and share it with others who may use this product.
- Report any unsafe product experiences or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only compatible accessories that meet the 1913 PICATINNY RAIL specifications.
- Ensure that the product is securely attached to prevent accidental detachment during use.
- Avoid using the product in extreme weather conditions unless specified as suitable.
- Do not modify or alter the product in any way, as this may compromise safety.
- Keep the product out of reach of children and vulnerable individuals.
- Wear appropriate safety gear when installing or using the product, especially if it involves tools.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation (e.g., screwdrivers, wrenches).
- Ensure that your workspace is clean and free of distractions.

2. Installation:

- Select the appropriate size of the Picatinny rail (2", 4", or 9") based on your needs.
- Align the rail with the NON mlok Side Rail Adapters on your equipment.
- Securely attach the rail using the provided hardware, ensuring that all screws are tightened properly.
- Doublecheck the attachment to confirm that it is stable and secure.

3. Usage:

- Once installed, you can attach your compatible accessories to the Picatinny rail.
- Regularly check the attachment of accessories to ensure they remain secure during use.
- If you notice any wear or damage to the product or accessories, discontinue use immediately and replace them.

Disposal Instructions

- Dispose of the product according to local regulations for metal and plastic waste.
- Do not dispose of the product in general household waste.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of this product, please refer to the contact information provided in the product packaging or on the manufacturer's website.

Thank you for your attention to these safety guidelines. Your safety is our priority.
