

## Rails - Savage A22 - MDT - Rails - 50 MOA - Savage A22

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

MDT's Scope Base Picatinny Rails are a precise and reliable solution when it comes to mounting a scope on your bolt action rifle.

MDT's Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 30 MOA incline providing additional elevation adjustment from your scope\*. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature.

# Safety Instruction Guide for MDT Rails Savage A22

## Introduction

Thank you for choosing the MDT Scope Base Picatinny Rails for your Savage A22 rifle. This guide provides important safety instructions and guidelines to ensure the safe use and installation of your product. Please read and follow these instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms responsibly and safely.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the scope rail.
- Use only compatible optics with the MDT Scope Base Picatinny Rails.
- Avoid overtightening screws during installation to prevent damage to the rail or the firearm.
- Do not modify the product in any way, as this may compromise safety and performance.
- Ensure that the rail is securely attached to the receiver before use.
- Always follow the manufacturer's instructions for mounting and adjusting your scope.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools for installation, including a torque wrench.
- Ensure that the firearm is unloaded and pointed in a safe direction.

### 2. Installation:

- Align the MDT Scope Base Picatinny Rail with the receiver of your Savage A22.
- Use the provided screws to secure the rail to the receiver.
- Tighten the screws to the manufacturer's recommended torque specifications, ensuring not to overtighten.

### 3. Mounting the Scope:

- Place your scope onto the Picatinny rail.
- Adjust the scope position for optimal eye relief and alignment.
- Secure the scope using the appropriate rings or mounts.

### 4. Final Check:

- Inspect the installation to ensure everything is secure.
- Check that the scope is properly aligned and functions as intended.

### 5. Usage:

- When using the rifle, always adhere to safe shooting practices.
- Regularly check the mounting of the scope and rail to ensure stability.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for aluminum materials where available.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer's website or contact their customer support team. Ensure you have your product details available for reference.

Thank you for your attention to these safety instructions. Your safety and the safety of others is paramount. Enjoy your shooting experience with the MDT Scope Base Picatinny Rails for your Savage A22.
