

# MEPRO microRDS - RED DOT MICRO SIGHT + Backup sights - microRDS KIT-SIG P226/320

[Optics & Mounting](#) > [Electronic Sights](#) > [Reflex Sights](#)

The quickest, easiest upgrade in the history of accuracy. The Mepro microRDS brings the rapid target acquisition of a full-size red dot rifle optic to a compact pistol sight. Featuring a patented quick-detach (QD) adaptor kit that easily mounts using the pistol's existing rear sight dovetail slot; no drilling, tapping or need for a gunsmith. It's the only red-dot solution that instantly mounts and dismounts without having to re-zero, with an adaptor that also gives you a Meprolight® TruDot™ self-illuminated sight as a back-up when the red dot optic is removed. Built to mount in minutes to any pistol with red dot capability. It also serves as an excellent close-quarters red dot sight and backup sight for rifles and shotguns.

# MEPRO microRDS RED DOT MICRO SIGHT + Backup Sights microRDS KITSIG P226/320 Safety Instructions

## Introduction

Thank you for choosing the Mepro microRDS RED DOT MICRO SIGHT + Backup Sights microRDS KIT for your Sig Sauer P226/320. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as a sighting device for firearms.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the microRDS for any signs of damage or wear.
- If you suspect any damage, do not use the product and contact a qualified professional for assessment.
- Be aware of your surroundings when using firearms equipped with the microRDS to avoid accidents.

## Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before installing or adjusting the microRDS.
- Avoid using the microRDS in extreme weather conditions that may affect its performance.
- Do not attempt to modify or disassemble the microRDS; doing so may void the warranty and compromise safety.
- Only use the microRDS on firearms that are compatible with its mounting system.
- Be cautious when removing or reattaching the microRDS to prevent injury or damage to the sight.
- If you experience any issues with the microRDS, cease use immediately and seek assistance.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure your firearm is unloaded and in a safe condition.
2. **Locate the Rear Sight Dovetail Slot:** Identify the existing rear sight dovetail slot on your Sig Sauer P226/320.
3. **Attach the QD Adaptor Kit:**
  - Align the QD adaptor with the dovetail slot.
  - Gently slide the adaptor into the slot until it is securely in place.
4. **Mount the microRDS:**
  - Position the microRDS onto the QD adaptor.
  - Ensure it is firmly seated and locked in place.
5. **Check Alignment:** Verify that the microRDS is aligned with the firearm's barrel for accurate aiming.

### Usage

- Activate the microRDS according to the manufacturer's instructions.
- Adjust the brightness settings as needed for optimal visibility.
- Practice aiming and shooting with the microRDS in a controlled environment before using it in the field.
- Regularly check the zeroing of the microRDS to ensure accuracy.

## **Disposal Instructions**

- Dispose of the microRDS in accordance with local regulations regarding electronic waste.
- Remove batteries and dispose of them separately, following proper battery disposal guidelines.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For further inquiries regarding safety, installation, or usage of the MEPRO microRDS, please reach out to the appropriate support channels available in your region. Always ensure that you are following the latest safety guidelines and product updates.

Thank you for prioritizing safety while using the MEPRO microRDS. Your responsible use contributes to a safer environment for all.
