

MEPRO microRDS - RED DOT MICRO SIGHT + Backup sights - microRDS KIT-H&K 45,P30,VP9,SFP9

[Optics & Mounting](#) > [Electronic Sights](#) > [Reflex Sights](#)

The quickest, easiest upgrade in the history of accuracy. The Mepro microRDS brings the rapid target acquisition of a full-size red dot rifle optic to a compact pistol sight. Featuring a patented quick-detach (QD) adaptor kit that easily mounts using the pistol's existing rear sight dovetail slot; no drilling, tapping or need for a gunsmith. It's the only red-dot solution that instantly mounts and dismounts without having to re-zero, with an adaptor that also gives you a Meprolight® TruDot™ self-illuminated sight as a back-up when the red dot optic is removed. Built to mount in minutes to any pistol with red dot capability. It also serves as an excellent close-quarters red dot sight and backup sight for rifles and shotguns.

MEPRO microRDS Safety Instruction Guide

Introduction

Thank you for choosing the MEPRO microRDS RED DOT MICRO SIGHT + Backup sights microRDS KIT for your H&K 45, P30, VP9, and SFP9. This guide provides essential safety instructions to ensure the safe use and installation of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- If the product is damaged, do not use it and seek professional assistance.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Always use appropriate eye protection when operating firearms equipped with this product.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the MEPRO microRDS in any way.
- Ensure the firearm is unloaded before installing or removing the sight.
- Always check the mounting system for security before each use.
- Avoid exposing the sight to extreme temperatures or harsh environmental conditions.
- If the sight becomes foggy or obscured, do not use it until it is cleaned and inspected.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

Instructions for Installation and Usage

Installation

1. **Prepare the Firearm:** Ensure the firearm is unloaded and in a safe condition.
2. **Remove Existing Rear Sight:** Carefully remove the existing rear sight from the dovetail slot.
3. **Attach the QD Adaptor:** Position the QD adaptor kit onto the dovetail slot.
4. **Secure the Sight:** Slide the MEPRO microRDS onto the QD adaptor and ensure it clicks into place.
5. **Check Alignment:** Confirm that the sight is aligned properly with the barrel of the firearm.
6. **Final Inspection:** Ensure all components are securely attached before use.

Usage

- To activate the sight, ensure the battery is installed correctly.
- Adjust the brightness settings as needed for optimal visibility.
- Practice target acquisition with the sight in a safe environment before using it in the field.
- Always return the firearm to a safe condition after use.

Disposal Instructions

- Dispose of the MEPRO microRDS in accordance with local regulations.
- Do not dispose of electronic components in regular household waste.
- Contact your local waste management facility for proper disposal methods for electronic devices.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please refer to the official MEPROLIGHT website or your point of purchase.

By following these guidelines, you can ensure a safe and enjoyable experience with your MEPRO microRDS. Thank you for prioritizing safety and responsible usage.
