

MEPRO microRDS - RED DOT MICRO SIGHT + Backup sights - microRDS KIT-CANIK TP SERIES

[Optics & Mounting](#) > [Electronic Sights](#) > [Reflex Sights](#)

The quickest, easiest upgrade in the history of accuracy. The Mepro microRDS brings the rapid target acquisition of a full-size red dot rifle optic to a compact pistol sight. Featuring a patented quick-detach (QD) adaptor kit that easily mounts using the pistol's existing rear sight dovetail slot; no drilling, tapping or need for a gunsmith. It's the only red-dot solution that instantly mounts and dismounts without having to re-zero, with an adaptor that also gives you a Meprolight® TruDot™ self-illuminated sight as a back-up when the red dot optic is removed. Built to mount in minutes to any pistol with red dot capability. It also serves as an excellent close-quarters red dot sight and backup sight for rifles and shotguns.

MEPRO microRDS Safety Instruction Guide

Introduction

Thank you for choosing the MEPRO microRDS RED DOT MICRO SIGHT + Backup sights microRDS KIT for your Canik TP Series pistol. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the MEPRO microRDS is used in accordance with the manufacturer's instructions to avoid potential hazards.
- Always treat the firearm and its accessories with respect and handle them safely.
- Be aware of your surroundings when using the sight, ensuring a safe environment for yourself and others.
- Regularly inspect the sight and its mounting to ensure they are secure and functioning correctly.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- The microRDS is designed for use with firearms only. Do not use it for any other purpose.
- Ensure that the sight is mounted securely before using the firearm.
- Keep the sight clean and free from obstructions to maintain optimal performance.
- Do not attempt to modify the sight or its mounting system.
- Use only the recommended accessories and components provided by the manufacturer.
- If you are inexperienced or unsure about the installation or use of the sight, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and in a safe condition before beginning installation.
2. **Mounting the Sight:**
 - Locate the rear sight dovetail slot on your Canik TP Series pistol.
 - Using the patented quickdetach (QD) adaptor kit, align the microRDS with the dovetail slot.
 - Securely attach the sight by pressing it into place until it clicks. Ensure it is firmly mounted.
3. **Backup Sight Setup:** The microRDS includes a MeproLight® TruDot™ selfilluminated sight for backup. Ensure this is also properly positioned for use when the red dot optic is removed.

Usage

- **Adjustments:** Familiarize yourself with the adjustment settings for windage and elevation to ensure accurate targeting.
- **Target Acquisition:** Use the microRDS to quickly acquire targets, especially in closequarters situations.
- **Maintenance:** Regularly clean the sight and check for any signs of wear or damage.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- When disposing of the microRDS, follow local regulations for electronic waste and hazardous materials.
- Ensure that the product is rendered inoperable before disposal to prevent misuse.

Contact Information for Further Support

For additional support or inquiries regarding the MEPRO microRDS, please contact the manufacturer or authorized retailers. Ensure you have the product details and any relevant information ready for assistance.

Thank you for your attention to these safety instructions. Proper use and care of the MEPRO microRDS will enhance your shooting experience while ensuring safety for you and those around you.
