

MEPRO microRDS - RED DOT MICRO SIGHT + Backup sights - microRDS KIT-IWI JERICHO(EXCEPT JERICHO II OR ENHANCED)

[Optics & Mounting](#) > [Electronic Sights](#) > [Reflex Sights](#)

The quickest, easiest upgrade in the history of accuracy. The Mepro microRDS brings the rapid target acquisition of a full-size red dot rifle optic to a compact pistol sight. Featuring a patented quick-detach (QD) adaptor kit that easily mounts using the pistol's existing rear sight dovetail slot; no drilling, tapping or need for a gunsmith. It's the only red-dot solution that instantly mounts and dismounts without having to re-zero, with an adaptor that also gives you a Meprolight® TruDot™ self-illuminated sight as a back-up when the red dot optic is removed. Built to mount in minutes to any pistol with red dot capability. It also serves as an excellent close-quarters red dot sight and backup sight for rifles and shotguns.

MEPRO microRDS Safety Instruction Guide

Introduction

Thank you for choosing the MEPRO microRDS RED DOT MICRO SIGHT + Backup sights microRDS KIT for your IWI JERICH0 (except JERICH0 II or Enhanced). This guide provides important safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and accessories responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to malfunction or failure during use.
 - Using the sight without proper training can increase the risk of accidents.
- **Avoiding Hazards:**
 - Always ensure the firearm is unloaded before installing or adjusting the sight.
 - Do not attempt to modify the sight or use it in a manner not specified in this guide.
 - Ensure that the sight is securely mounted to prevent it from dislodging during use.
- **Age Restrictions:**
 - This product is intended for use by individuals 18 years of age and older. Ensure that younger users are supervised by a responsible adult.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing rear sight from the dovetail slot of your pistol.
- Align the Mepro microRDS with the dovetail slot and slide it into place.
- Secure the sight using the provided quickdetach (QD) adaptor kit.
- Verify that the sight is firmly attached and does not move when pulled.

2. Zeroing the Sight:

- After installation, take the firearm to a safe shooting range.
- Follow the manufacturer's instructions to zero the sight for accurate targeting.
- Practice using the sight in a controlled environment to become familiar with its operation.

3. Usage:

- Always maintain a proper shooting stance and grip when using the firearm with the sight.
- Keep both eyes open to enhance situational awareness while aiming.
- If the red dot optic is removed, the Meprolight® TruDot™ selfilluminated sight can be used as a backup.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and firearm accessories.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MEPRO microRDS, please refer to the contact information provided with your purchase. Ensure that you have the product's serial number and any relevant details available when seeking assistance.

By following this safety instruction guide, you can ensure the safe and effective use of your MEPRO microRDS. Always prioritize safety and responsible handling of firearms and accessories. Thank you for your attention and enjoy using your new sight!
