[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Tru Dot FIXED PISTOL SET GLOCK 42 Safety Instruction Guide

## Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET for your Glock 42, 43, 43X, and 48 models. This guide provides essential safety information and instructions to ensure the safe use and installation of your night sights. Please read this document carefully to understand how to use this product safely and effectively.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that you are in a safe environment when handling your firearm.
- Only use the Tru Dot sights on compatible Glock models as specified.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect your sights for any signs of damage or wear.
- If you experience any issues with the sights, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- **Installation Precautions:**
  - Ensure that the firearm is unloaded before beginning installation.
  - Use appropriate tools and follow the installation instructions carefully.
- **Sighting Precautions:**
  - Always ensure that your target is safe and in a controlled environment.
  - Avoid pointing the firearm at anything you do not intend to shoot.
- **Night Use Precautions:**
  - Familiarize yourself with the sights in daylight conditions before using them at night.
  - Ensure that the area is adequately illuminated if transitioning from lowlight to daylight conditions.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and in a safe condition.
- Remove the existing front and rear sights using appropriate tools.
- Align the Tru Dot sights with the mounting points on the firearm.
- Securely mount the sights using the provided hardware. Minor modifications may be necessary.
- Ensure that the sights are firmly in place and do not wobble.

### 2. Usage:

- When aiming, focus on the three solid dots of the Tru Dot system for improved rapid instinctive aiming.
- Practice shooting in both daylight and lowlight conditions to become familiar with the sighting system.
- Regularly check the alignment of the sights and make adjustments as needed.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for information on proper disposal methods for firearm

accessories.

## **Contact Information for Further Support**

For any inquiries regarding the Tru Dot FIXED PISTOL SET or to report unsafe products, please contact the manufacturer or your local law enforcement agency.

## **Conclusion**

Your safety is of utmost importance. By following these guidelines and instructions, you can ensure the safe use of your Tru Dot FIXED PISTOL SET. Always stay informed and vigilant when handling firearms and their accessories. Thank you for choosing Meprolight® for your sighting needs.
