[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot Fixed Pistol Set H&K Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot Fixed Pistol Set H&K. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers and promote safe usage.

General Safety Guidelines

- Always handle your firearm and sights with care.
- Ensure the firearm is unloaded when installing or adjusting the sights.
- Use the Tru Dot sights only as intended, following the manufacturer's guidelines.
- Store the product in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure that you have the necessary tools for installation.
- Follow the installation instructions carefully to avoid improper fitting.

• Usage Precautions:

- Always aim in a safe direction when handling your firearm.
- Be aware of your surroundings and ensure a clear line of sight when shooting.
- Use appropriate eye and ear protection during shooting activities.

• Maintenance Precautions:

- Clean the sights regularly to maintain visibility and functionality.
- Do not attempt to modify the sights in any way that could affect their performance.

• Age Restrictions:

- This product is intended for use by adults and should not be used by children without adult supervision.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (e.g., screwdrivers).

2. Removing Old Sights:

- Use the appropriate tool to remove the existing front and rear sights.
- Store removed parts safely for potential future use.

3. Installing Tru Dot Sights:

- Align the Tru Dot rear sight with the mounting slot on the firearm.
- Secure the rear sight using the provided screws, ensuring it is firmly in place.
- Repeat the process for the front sight, ensuring proper alignment.

4. Final Checks:

- Inspect both sights to ensure they are securely attached.
- Test the sights for proper alignment by aiming at a target.

Usage Instructions

• Aiming:

- Use the three solid dots as your aiming reference, which remain consistent in all light conditions.

• Shooting:

- Ensure a stable shooting position and proper grip on the firearm.
- Focus on the target while maintaining a clear view of the sight picture.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the product is no longer in use, dispose of it in accordance with local regulations for hazardous materials, if applicable.
- Do not throw away in regular household waste.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Tru Dot Fixed Pistol Set H&K, please reach out to the designated contact points provided by the manufacturer. Ensure you keep all product documentation for future reference.

Thank you for your attention to these safety guidelines. By following these instructions, you can help ensure a safe and enjoyable experience with your Tru Dot Fixed Pistol Set H&K.
