

# HYPER BRIGHT FIXED PISTOL SET CZ - HYPER BRIGHT FIXED PISTOL SET CZ P10 Y RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# HYPER BRIGHT FIXED PISTOL SET CZ Safety Instruction Guide

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET CZ. This guide provides essential safety instructions and information to ensure the safe use and maintenance of your product. Please read this guide thoroughly before use to familiarize yourself with the safety precautions and operational instructions.

## General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of firearms and sights in your area.
- Always handle the HYPER BRIGHT FIXED PISTOL SET CZ with care and respect, treating it as if it is loaded at all times.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear. If damage is found, do not use the product until it has been repaired or replaced.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when using firearms equipped with the HYPER BRIGHT FIXED PISTOL SET CZ.
- Ensure that the firearm is pointed in a safe direction at all times during handling and use.
- Do not rely solely on the sights in low light conditions; always be aware of your surroundings.
- Avoid using the sights if they appear to be malfunctioning or if the tritium vials are damaged.
- Be cautious when cleaning the firearm and sights; ensure that the firearm is unloaded before cleaning.
- Be aware that the yellow ring option utilizes phosphorescent paint, which may require exposure to light to charge effectively for low light visibility.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sights according to the manufacturer's instructions.
- Align the HYPER BRIGHT FIXED PISTOL SET CZ sights with the mounting points on your firearm.
- Secure the sights in place using the appropriate tools, ensuring they are tightly fitted.
- Verify that the sights are properly aligned before use.

### 2. Usage:

- Familiarize yourself with the sighting system before engaging in target practice.
- Use the contrasting colors of the front and rear sights to enhance focus and target acquisition.
- Practice shooting in various lighting conditions to understand how the sights perform in both day and night scenarios.
- Regularly check the sights for any signs of wear or damage, particularly the tritium vials.

## Disposal Instructions

- Dispose of the HYPER BRIGHT FIXED PISTOL SET CZ in accordance with local regulations regarding electronic waste and hazardous materials.

- If the tritium vials are damaged or expired, contact a professional for safe disposal methods.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the HYPER BRIGHT FIXED PISTOL SET CZ, please refer to the manufacturer's contact information provided in the product packaging or on the manufacturer's website.

We appreciate your commitment to safety and responsible usage of the HYPER BRIGHT FIXED PISTOL SET CZ. Your adherence to these guidelines will help ensure a safe and enjoyable experience.
