

# HYPER BRIGHT FIXED PISTOL SET CZ SHADOW - HYPER BRIGHT FIXED PISTOL FRONT CZ SHADOW 2 Y RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

## Safety Instruction Guide

### Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET CZ SHADOW. This product is designed to provide superior visibility and performance in various lighting conditions. To ensure your safety and the effective use of this product, please read and follow the guidelines outlined in this manual.

### General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the sight.
- Use the product only for its intended purpose as a firearm sight.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Report any unsafe product conditions or accidents to the appropriate authorities.

### Specific Safety Precautions for Use

- Ensure that the tritium vials are intact and not damaged before use.
- Do not attempt to disassemble or modify the sight; it is designed to be maintenance-free.
- Avoid exposure to solvents or chemicals that could damage the product's materials.
- Use the product in accordance with local laws and regulations regarding firearm accessories.
- Be aware of your surroundings and ensure that you are in a safe environment when using the firearm equipped with this sight.

### Instructions for Installation and Usage

#### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing sights if applicable.
- Align the HYPER BRIGHT FIXED PISTOL SIGHT with the mounting point on your firearm.
- Securely fasten the sight according to the manufacturer's specifications.
- Double-check that the sight is properly installed and stable before use.

#### 2. Usage

- Familiarize yourself with the sight's features and how it operates in various lighting conditions.
- Use the contrasting colors of the front and rear sights to enhance target acquisition.
- Practice aiming with the sight in both day and night conditions to gain confidence in its performance.
- Always maintain a proper shooting stance and follow safe firearm handling practices.

### Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not throw the sight in regular household waste.
- Contact local waste management services for guidance on proper disposal methods.

## **Contact Information for Further Support**
