

HYPER BRIGHT FIXED PISTOL SET KIMBER MICRO - HYPER BRIGHT FIXED PISTOL SET KIMBER MICRO/MICRO9 G RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL SET KIMBER MICRO

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET KIMBER MICRO. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully to understand the safety measures and proper handling of your handgun sights.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always handle firearms with care and treat them as if they are loaded.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear before use.
- If you notice any defects or malfunctions, discontinue use immediately and contact a qualified professional.

Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before installing or adjusting the sights.
- Use appropriate eye protection when shooting or handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the sights or attempt to repair them yourself.
- Always follow local laws and regulations regarding firearm usage and safety.

Instructions for Installation and Usage

1. Installation

- Ensure that your firearm is unloaded.
- Remove any existing sights according to the manufacturer's instructions.
- Align the new HYPER BRIGHT sights with the mounting points on your firearm.
- Secure the sights in place using the appropriate tools, ensuring they are tightly fixed.
- Check the alignment of the sights before use to ensure they are correctly installed.

2. Usage

- Familiarize yourself with the sighting system before using the firearm.
- Practice aiming with the sights in a safe environment to become accustomed to their function.
- Adjust your shooting stance and grip to maintain accuracy.
- Utilize the contrasting colors of the sights for improved visibility in varying light conditions.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and hazardous materials.
- If the product is damaged or no longer functional, contact a waste disposal facility that handles hazardous materials.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the HYPER BRIGHT FIXED PISTOL SET KIMBER MICRO, please reach out to your local authorized dealer or manufacturer's support team. They can provide you with the necessary assistance and information.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your HYPER BRIGHT FIXED PISTOL SET KIMBER MICRO. Always prioritize safety and responsible handling of firearms. Thank you for your attention to these important safety measures.
