

HYPER BRIGHT FIXED PISTOL SET KIMBER MICRO - HYPER BRIGHT FIXED PISTOL SET KIMBER MICRO/MICRO9 O RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL SET KIMBER MICRO

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET KIMBER MICRO. This guide provides essential safety instructions to ensure safe use and maintenance of your product. Please read this document carefully to understand how to use the sights safely and effectively.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use in various lighting conditions. Follow all instructions to minimize risks associated with its use.
- **Enhanced Recalls:** In the event of a safety issue, standardized recall notices will be issued. Ensure you stay informed about any potential recalls.
- **Online Shopping:** When purchasing online, ensure you buy from authorized dealers to guarantee product safety and compliance.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, such as children. Always supervise when handling firearms.
- **EU Contact Point:** For safety inquiries, refer to your local EU contact point for assistance.
- **Rapid Alerts:** Stay updated on safety alerts regarding this product through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Always treat the firearm as if it is loaded.** Never point it at anything you do not intend to shoot.
- **Use only in appropriate environments.** Ensure you are in a safe area for shooting, away from people and property.
- **Regularly inspect the sights** for any damage or wear. If you notice any issues, do not use the product until it has been assessed.
- **Store safely.** When not in use, store the firearm and sights in a secure location, out of reach of children and unauthorized users.
- **Use appropriate eye and ear protection** while using firearms equipped with the HYPER BRIGHT sights.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Remove the existing sights according to the manufacturer's instructions.
- Align the HYPER BRIGHT sights with the mounting slots on your firearm.
- Securely tighten the sights using the recommended tools, ensuring they are stable and properly aligned.

2. Usage:

- Familiarize yourself with the sighting system before use. Practice in a controlled environment.
- Adjust your grip and stance to ensure optimal visibility of the sights.
- Utilize the contrasting colors of the sights for improved target acquisition in various lighting conditions.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sights in regular household waste. Instead, take them to a designated disposal facility for hazardous materials.
- Ensure that any tritium components are handled according to safety guidelines to prevent environmental contamination.

Contact Information for Further Support

For any questions or concerns regarding the HYPER BRIGHT FIXED PISTOL SET KIMBER MICRO, please refer to your local dealer or manufacturer's website for support and information on safety practices.

By following these guidelines, you can ensure the safe and effective use of your HYPER BRIGHT FIXED PISTOL SET KIMBER MICRO. Thank you for prioritizing safety in your shooting practices.
