

# HYPER BRIGHT FIXED PISTOL SET KIMBER MICRO - HYPER BRIGHT FIXED PISTOL SET KIMBER MICRO/MICRO9 Y RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL SET KIMBER MICRO

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET KIMBER MICRO. This guide provides essential safety instructions to ensure the safe use of your product. Please read this guide carefully before using your sights to maximize safety and performance.

## General Safety Guidelines

- **Product Safety:** Ensure that the product is used only for its intended purpose as specified in this guide.
- **Enhanced Recalls:** Be aware that in the event of a product recall, you will receive standardized notices and free remedies for any dangerous products.
- **Online Shopping:** If purchased online, ensure that the platform meets safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay updated on product safety by checking the EU's Safety Gate platform for any alerts regarding unsafe products.

## Specific Safety Precautions for Use

- **Usage Restrictions:** This product is intended for adult use only. Keep it out of reach of children.
- **Proper Handling:** Always handle the firearm with care, treating it as if it is loaded, even when it is not.
- **Visibility Conditions:** Be aware that while the sights are designed for lowlight conditions, they may not perform optimally in complete darkness.
- **Regular Inspection:** Check the sights regularly for any signs of damage or wear. If any issues are found, discontinue use immediately and seek professional assistance.
- **Avoid Modifications:** Do not attempt to modify or alter the sights. Any modifications can lead to unsafe conditions and void the warranty.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before installing the sights.
- Remove any existing sights according to the manufacturer's instructions.
- Align the new HYPER BRIGHT sights with the mounting points on your firearm.
- Securely fasten the sights using the appropriate tools, ensuring they are tightly fitted to avoid any movement during use.
- Perform a final check to ensure sights are properly aligned and securely attached.

### 2. Usage:

- When aiming, ensure that the front sight is clearly visible in relation to the target.
- Use the colored ring to assist in quick target acquisition.
- Practice regularly to become familiar with the sight picture and improve accuracy.
- In lowlight conditions, rely on the tritium illumination for visibility, but be aware of the limitations in complete darkness.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the product responsibly. Do not dispose of it in regular household waste.
- **Recycling:** Check local regulations for guidelines on recycling firearms accessories and tritium vials.
- **Hazardous Materials:** Tritium is a radioactive material. Follow local laws and regulations regarding the disposal of hazardous materials.

## Contact Information for Further Support

For any questions or concerns regarding the HYPER BRIGHT FIXED PISTOL SET KIMBER MICRO, please refer to the manufacturer's customer service or support website for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
