

HYPER BRIGHT FIXED PISTOL SET KIMBER MICRO - HYPER BRIGHT FIXED PISTOL FRONT KIMBER MICRO/MICRO9 O RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SET SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET KIMBER MICRO. This product is designed to enhance your shooting experience with superior visibility in various lighting conditions. To ensure your safety and the optimal performance of your sights, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that your firearm is always handled safely and responsibly.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and sights in a secure location, out of reach of children.
- Regularly inspect your sights for any signs of damage or wear.
- Be aware of your surroundings and ensure that you have a clear line of sight before shooting.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- **Visibility:** The HYPER BRIGHT sights are designed for low light conditions. Ensure that you are familiar with how they perform in different lighting scenarios.
- **Installation:** Improper installation may lead to misalignment and ineffective targeting. Follow the installation instructions carefully.
- **Maintenance:** The sights are maintenance-free; however, perform regular checks to ensure they are functioning correctly.
- **Vulnerable Groups:** Keep the product away from children and individuals who may not understand how to use a firearm safely.
- **Emergency Situations:** In case of an accident or malfunction, follow emergency protocols and seek professional assistance immediately.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure the firearm is unloaded and safe to handle.
- Gather necessary tools for installation (if required).

2. Mounting the Sights:

- Remove any existing sights from the firearm.
- Align the HYPER BRIGHT sights with the mounting points.
- Securely fasten the sights according to the manufacturer's specifications.
- Confirm that the sights are properly aligned and fixed in place.

3. Final Check:

- Inspect the installation for any loose components.
- Ensure that the sights are securely mounted and ready for use.

Usage

- **Aiming:**
 - Use the Unotch shape of the rear sight to guide your eyes to the top of the front sight.
 - Take your time to align the sights properly before shooting.
- **Shooting:**
 - Be aware of your environment and ensure that you have a clear target.
 - Maintain a stable grip and stance for accurate shooting.
- **PostShooting:**
 - Always unload the firearm after use.
 - Store the firearm and sights in a secure location.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sights in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions regarding safety, installation, or usage of the HYPER BRIGHT FIXED PISTOL SET, please contact the designated support services. Ensure to have your product details ready for a quicker resolution.

By following these guidelines, you can ensure a safe and effective experience with your HYPER BRIGHT FIXED PISTOL SET. Stay safe and enjoy your shooting!
