

HYPER BRIGHT SUPPRESSOR PISTOL SET KIMBER - HYPER BRIGHT SUPPRESSOR PISTOL SET KIMBER 1911 Y RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT SUPPRESSOR PISTOL SET KIMBER

Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT SUPPRESSOR PISTOL SET KIMBER. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully to understand the safety precautions, installation, and usage instructions.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow basic firearm safety rules.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any malfunction or damage, cease use immediately and consult a professional.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for updates on product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or adjusting the sights.
- Use only compatible firearms as specified in the product manual.
- Avoid exposing the sights to extreme temperatures or harsh chemicals.
- Do not attempt to disassemble or modify the sights.
- Ensure that the sights are properly secured before using the firearm.
- Be aware of your surroundings and ensure that you have a clear line of sight when aiming.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** If applicable, carefully remove any existing sights from the firearm.
3. **Attach the HYPER BRIGHT Sights:**
 - Align the rear sight with the designated mounting area on the firearm.
 - Secure the rear sight using the provided screws or mounting hardware.
 - Repeat the process for the front sight, ensuring it is aligned correctly.
4. **Check Stability:** Ensure that both sights are firmly attached and do not move when pressure is applied.
5. **Final Inspection:** Conduct a final check to ensure that all components are secure and that the sights are properly aligned.

Usage Instructions

- **Daylight Use:** The sights are designed to provide optimal visibility during daylight conditions. Aim using the colored ring for fast target acquisition.
- **Night Use:** The tritium illumination ensures visibility in lowlight conditions. Always ensure that the sights are clean and unobstructed for the best performance.
- **Maintenance:** The sights are maintenancefree. Avoid using abrasive materials for cleaning. A soft cloth is recommended for regular cleaning.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consult local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the contact information provided by the manufacturer or authorized dealers. Ensure that you have the product details ready for a more efficient response.

Thank you for following these safety instructions. Your safety and the safety of others is our priority. Enjoy using the HYPER BRIGHT SUPPRESSOR PISTOL SET KIMBER responsibly.
