

HYPER BRIGHT SUPPRESSOR PISTOL SET KIMBER - HYPER BRIGHT SUPPRESSOR PISTOL FRONT KIMBER 1911 O RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT SUPPRESSOR PISTOL SET KIMBER HYPER BRIGHT SUPPRESSOR PISTOL FRONT KIMBER 1911 O RING Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT SUPPRESSOR PISTOL SET. This safety instruction guide is designed to provide you with essential information on the safe use, installation, and disposal of your product. Please read this guide carefully to ensure your safety and the safety of others.

General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's specifications.
- Always handle firearms with care and respect, following all applicable laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear. If any issues are found, discontinue use immediately and consult a professional.
- In case of an emergency or malfunction, seek assistance from qualified personnel.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the sights.
- Avoid exposing the product to extreme temperatures or harsh chemicals that could affect its performance.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use proper eye and ear protection when using the firearm.
- Do not attempt to modify or alter the product in any way that is not recommended by the manufacturer.

Instructions for Installation and Usage

- **Installation:**

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing sights if applicable, following the manufacturer's instructions.
3. Align the HYPER BRIGHT sights with the mounting points on the firearm.
4. Securely fasten the sights using the provided tools, ensuring they are tightly fitted.
5. Verify that the sights are aligned correctly before use.

- **Usage:**

1. Familiarize yourself with the sighting system before using the firearm.
2. Practice aiming and shooting in a controlled environment to become accustomed to the sight's features.
3. When using the sights in low light conditions, ensure the tritium is functioning correctly.
4. Regularly check the sights for any signs of wear or misalignment.

Disposal Instructions

- When disposing of the product, follow local regulations regarding hazardous materials and electronic waste.
- If the product is damaged or no longer functional, consult a professional for safe disposal methods.

- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the HYPER BRIGHT SUPPRESSOR PISTOL SET, please refer to the manufacturer's contact information provided with the product or visit the manufacturer's website.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe and effective use of your HYPER BRIGHT SUPPRESSOR PISTOL SET. Always prioritize safety and seek assistance if you are unsure about any aspect of the product's use or maintenance. Thank you for your attention to these important safety measures.
