

HYPER BRIGHT SUPPRESSOR PISTOL SET KIMBER - HYPER BRIGHT SUPPRESSOR PISTOL FRONT KIMBER 1911 Y RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT SUPPRESSOR PISTOL SET Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT SUPPRESSOR PISTOL SET by MEPROLIGHT. This safety instruction guide is designed to inform you about the safe use of your new product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to ensure safe handling, installation, and usage of the product.

General Safety Guidelines

- Always handle the pistol set with care and in a safe environment.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that you are familiar with the local laws and regulations regarding the use of firearms and accessories.
- Regularly inspect the product for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the HYPER BRIGHT SUPPRESSOR PISTOL SET only as intended.
- Avoid using the product in adverse weather conditions that may affect visibility or performance.
- Always ensure that the firearm is unloaded when installing or adjusting the sights.
- Use proper eye and ear protection when handling firearms.
- Follow all manufacturer instructions for installation and usage to avoid potential hazards.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing sights from the firearm according to the manufacturer's instructions.
- Align the HYPER BRIGHT sights with the mounting points on your firearm.
- Securely fasten the sights in place, ensuring they are properly aligned for optimal performance.
- Check that the sights are firmly attached and do not move when pressure is applied.

2. Usage:

- Familiarize yourself with the sighting system before engaging in shooting activities.
- When aiming, focus on the front sight, utilizing the contrasting colors for improved visibility.
- Practice shooting in various lighting conditions to understand how the sights perform in day and night scenarios.
- Regularly clean and maintain the sights to ensure continued performance and safety.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearms and firearm accessories.
- Do not dispose of the product in regular household waste.
- If the product is defective, contact a qualified professional for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the HYPER BRIGHT SUPPRESSOR PISTOL SET, please consult your local retailer or authorized dealer. They can provide you with additional information and support regarding the product.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the HYPER BRIGHT SUPPRESSOR PISTOL SET responsibly and safely.
