

MEPRO EVERGREEN PISTOL SET GLOCK ALL MODELS G RING - EVERGREEN PISTOL SET GLOCK ALL MODELS O RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Mepro Evergreen™ is a super bright LED-based illuminated sight for daytime and nighttime operations. The Mepro Evergreen™ enables the shooter to hit stationary or moving targets while increasing dramatically the hit probability. In the daytime and nighttime operations, the shooter's target acquisition capability deepens on a clear view of crystal clear solid dots. The super bright LED light source inserted into both front and rear metal housing, ensure a clear sharp illuminated three-dot picture. Based on an illuminated sight patent, The Mepro Evergreen™ has an exceptional power source that ensures constant and reliable use of 5 consecutive years of operation. Meprolight also offers selective pistol models the Mepro Evergreen™ super bright LED front sight only with U shape rear sight (not illuminated), which have shown a dramatic increase in users' hit probability. The Mepro Evergreen™ does not contain any hazardous material and complies with European standards. Superior production methods and rigid quality control have made Meprolight the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight are performed, controlled, and monitored to these demanding quality levels. Originally developed for the Israel Defense Forces, Meprolight sights are now in use by Military, Law Enforcement, and Civilians on Six Continents. Meprolight's modern design, production, and test facilities, with the most experienced technical staff in the industry, are ready to support you. When quality counts, be sure with Meprolight.

MEPRO EVERGREEN PISTOL SET GLOCK ALL MODELS G RING EVERGREEN PISTOL SET GLOCK ALL MODELS O RING/G Safety Instruction Guide

Introduction

Thank you for choosing the Mepro Evergreen™ Pistol Set for Glock models. This guide provides important safety instructions and information to ensure the safe and effective use of your illuminated sight. Please read this guide carefully before using the product to understand how to operate it safely and responsibly.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the Mepro Evergreen™ sight is properly mounted and secured before use.
- Regularly inspect your sight for any signs of damage or wear.
- Do not use the sight if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding firearm use and ownership.
- Store the sight and firearm in a secure location, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that you have a clear target before firing.
- Report any unsafe products and accidents to the appropriate authorities.

Specific Safety Precautions for Use

- The Mepro Evergreen™ sight is designed for use with Glock models only. Do not attempt to use it with other firearm models.
- Avoid exposing the sight to extreme temperatures or harsh environmental conditions, as this may affect its performance.
- Do not attempt to disassemble or modify the sight, as this may void the warranty and create safety hazards.
- Use only recommended accessories and components with the sight to ensure optimal performance and safety.
- Keep the sight clean and free of debris to maintain clarity and effectiveness.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded before installation.
- Remove the existing sight from your Glock model, following the manufacturer's instructions.
- Align the Mepro Evergreen™ sight with the mounting slot on your firearm.
- Secure the sight in place using the provided screws or mounting hardware.
- Doublecheck that the sight is firmly attached before proceeding.

2. Usage:

- Turn on the Mepro Evergreen™ sight by activating the LED light source.
- Adjust the brightness settings as necessary for the lighting conditions.
- Aim at your target using the illuminated threedot picture for enhanced accuracy.
- Practice regularly to become familiar with the sight and improve your shooting skills.

Disposal Instructions

- Dispose of the Mepro Evergreen™ sight in accordance with local regulations for electronic waste.
- Do not throw the sight in regular household waste.
- Contact your local waste management facility for information on proper disposal methods.

Contact Information for Further Support

For questions or concerns regarding the Mepro Evergreen™ Pistol Set, please consult your local dealer or refer to the manufacturer's website for additional resources and support.

Note: This product does not contain any hazardous materials and complies with European standards. Always ensure that you are using the product in accordance with the guidelines provided to guarantee your safety and the safety of others.

Thank you for choosing Meprolight. When quality counts, trust in Meprolight for your shooting needs.
