

Oryx Chassis - Sportsman - Tikka T3 - LA - RH - GRY

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Tikka T3 LA RH Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Chassis Sportsman for your Tikka T3 rifle. This safety instruction guide is designed to ensure the safe use and optimal performance of your chassis. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the operation of your rifle and the chassis before use.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the chassis and all accessories out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm usage and modifications.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Do not exceed the manufacturer's specifications for accessories and modifications.
- Ensure that the chassis is securely attached to the rifle before use.
- Avoid using the chassis in extreme weather conditions that may affect performance.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare the Workspace:** Ensure you have a clean, dry, and welllit area to work on your chassis installation.
2. **Remove the Factory Stock:** Carefully detach the factory stock from your Tikka T3 rifle, following the manufacturer's instructions.
3. **Install the Oryx Chassis:**
 - Align the action of the rifle with the bedding area of the chassis.
 - Securely fasten the action screws to hold the rifle in place.
4. **Attach the Adjustable Buttstock:** Adjust the buttstock to your desired length and secure it according to the manufacturer's instructions.
5. **Install Accessories:** Attach any AR15 grips, ARCA rails, or MLoc accessories as needed.
6. **Final Inspection:** Doublecheck all connections and ensure that everything is secure before use.

Usage Instructions

- Before shooting, ensure that the rifle is unloaded and pointed in a safe direction.
- Adjust the chassis for a comfortable fit, ensuring that you can maintain a proper shooting stance.
- When aiming, maintain a firm grip on the chassis and rifle to ensure stability.
- After each use, clean the chassis and inspect it for any signs of damage.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- Do not dispose of the chassis in regular household waste if it contains any hazardous materials.
- Consider recycling materials where applicable.

Contact Information for Further Support

For safety inquiries or further assistance regarding your Oryx Chassis, please reach out to the relevant EU contact point or authorized dealer.

Thank you for prioritizing safety and performance with your Oryx Chassis. Enjoy your shooting experience responsibly!
