

# Universal Holster

[Home](#)

The holster is shipped to directly accept a very small handgun .

If you want to place a medium to large sized handgun in it, you will need to cut the connecting seam.

Don't worry, the thread can be easily removed and all other seams remain securely connected.

You can fix the belt mount on the right or left side of the holster, just as you want to carry your weapon.

Supplied with two different length safety lugs, use the safety lug that best fits your weapon.

The safety lug should always sit tightly over the gun when closed.

# Alpha Precision Universal Holster Safety Instruction Guide

## Introduction

Thank you for choosing the Alpha Precision Universal Holster. This guide provides essential safety information and instructions to ensure the safe and effective use of your holster. Please read this manual carefully before using the product.

## General Safety Guidelines

- Always ensure that your handgun is unloaded before inserting it into the holster.
- Inspect the holster regularly for any signs of wear or damage.
- Always use the safety lug provided to secure your handgun when it is in the holster.
- Keep the holster out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any recalls or safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- The holster is designed for very small handguns. If you intend to use a medium to largesized handgun, you must cut the connecting seam. Ensure that you are comfortable with this modification before proceeding.
- When modifying the holster, take care not to damage other seams to maintain the integrity of the holster.
- Always fix the belt mount on either the right or left side according to your preference, ensuring it is securely attached.
- The safety lug must fit tightly over the gun when closed to prevent accidental discharge.

## Instructions for Installation and Usage

### 1. Choosing the Right Handgun:

- Ensure your handgun is compatible with the holster. It is primarily designed for very small handguns.

### 2. Modifying the Holster (if necessary):

- If you need to accommodate a medium to largesized handgun:
  - Carefully cut the connecting seam using sharp scissors.
  - Remove the thread as needed.
  - Ensure that all other seams remain securely connected.

### 3. Attaching the Belt Mount:

- Decide whether you want to carry the holster on the right or left side.
- Use the provided screws to attach the belt mount securely to your chosen side.

### 4. Using the Safety Lug:

- Select the safety lug that best fits your weapon from the two different lengths provided.
- Ensure the safety lug is properly positioned over the gun when the holster is closed.

### 5. Storing the Holster:

- When not in use, store the holster in a safe place, away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of the holster according to local regulations for plastic and textile waste.
- If the holster is damaged beyond repair, ensure it is disposed of in a manner that prevents unauthorized use.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the Alpha Precision Universal Holster, please refer to the contact information provided on the packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure the safe use of your Alpha Precision Universal Holster. Thank you for your attention and commitment to safety.
