

Vertical Grip - Carbon Fiber - BCF

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

The MDT Carbon Fiber Vertical Grip was engineered for durability and adjustability while maintaining an exceptionally lightweight design.

This vertical rifle grip provides both forward and backward adjustment options, allowing you to achieve a precise 90-degree trigger pull and comfortable hand positioning.

The carbon fiber construction ensures durability while offering a warm, tactile feel, making it well-suited for use in both cold and hot weather conditions.

Safety Instruction Guide for the MDT Carbon Fiber Vertical Grip

Introduction

Thank you for choosing the MDT Carbon Fiber Vertical Grip. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before using the vertical grip to maximize safety and performance.

General Safety Guidelines

- Ensure that the vertical grip is compatible with your firearm before installation.
- Always follow the manufacturer's instructions regarding the use and maintenance of your firearm.
- Keep the vertical grip away from children and unauthorized users.
- Regularly inspect the grip for any signs of damage or wear before each use.
- Do not modify the vertical grip in any way as it may compromise safety and performance.
- Store the vertical grip in a cool, dry place when not in use.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or detaching the vertical grip.
- Maintain a firm grip on the vertical grip during use to prevent slippage.
- Be aware of your surroundings and ensure a clear shooting area to avoid accidents.
- Use the vertical grip only in appropriate weather conditions; avoid extreme temperatures that may affect performance.
- If you experience any discomfort while using the grip, stop using it immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and safe.
- Locate the mounting area on your firearm where the vertical grip will be attached.
- Align the vertical grip with the mounting area.
- Securely fasten the grip using the provided screws or mounting system, ensuring it is tightly secured.
- Check the grip's stability before use.

2. Usage:

- Hold the vertical grip firmly with your dominant hand while maintaining a proper shooting stance.
- Adjust the grip position forward or backward to achieve a comfortable hand placement and a precise 90degree trigger pull.
- Practice proper firearm handling techniques while using the vertical grip.

Disposal Instructions

- When disposing of the vertical grip, follow local regulations regarding the disposal of polymer and carbon fiber materials.
- Do not dispose of the grip in regular household waste. Instead, look for designated recycling centers that accept such materials.
- Ensure that all components of the grip are disposed of properly to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the MDT Carbon Fiber Vertical Grip, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Carbon Fiber Vertical Grip. Always prioritize safety and responsible handling of your equipment. Thank you for your attention to these important guidelines.
