# Speedtracker Combo Safety Instruction Guide

## Introduction

Thank you for choosing the Speedtracker Combo Speedtracker Mach IV+ + Parabolic Adapter. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before using the device.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the Speedtracker Combo by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions carefully.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact point.
- **Rapid Alerts:** Stay updated on product safety by checking the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Potential hazards include misuse of the device, improper installation, and exposure to extreme conditions.
- **Avoiding Hazards:**
  - Do not use the Speedtracker Combo in wet or humid conditions.
  - Ensure the device is securely mounted before use to prevent it from falling.
  - Avoid pointing the radar directly at people or animals.
  - Do not attempt to disassemble or modify the device.
- **Age Specific Warnings:**
  - This product is designed for adult use only. It is not suitable for children.

## Instructions for Installation and Usage

### Installation

1. **Unpacking:** Carefully remove the Speedtracker Combo and Parabolic Adapter from the packaging.
2. **Mounting:**
  - Ensure the weaver rail system is clean and free of debris.
  - Align the Speedtracker with the weaver rail and slide it into place.
  - Secure the device using the provided mounting hardware.
3. **Parabolic Adapter:**
  - Attach the Parabolic Adapter to the end of the Speedtracker.
  - Ensure it is firmly secured to avoid any disconnections during use.

### Usage

1. **Powering On:** Press the power button to turn on the Speedtracker Combo.
2. **Bluetooth Connection:**
  - Enable Bluetooth on your mobile phone.
  - Follow the onscreen instructions to connect to the Speedtracker.
3. **Measuring:**
  - Position the Speedtracker Combo at the desired location.
  - Use the app to start measuring.

- The device can measure up to 3 meters with the Parabolic Adapter attached.
4. **Data Transfer:** Data can be transferred instantly via Bluetooth to your mobile device for analysis.

## **Disposal Instructions**

- Dispose of the Speedtracker Combo and its components in accordance with local regulations.
- Do not dispose of electronic devices with regular household waste.
- Check for local ewaste recycling programs to ensure environmentally friendly disposal.

## **Contact Information for Further Support**

For further support or safety inquiries, please refer to the designated EU contact point.

Thank you for prioritizing safety while using the Speedtracker Combo. Following these guidelines will help ensure a safe and enjoyable experience.
