

# **HNT-26 Howa 1500 SA RH Fixed ARCA - MDT Chassis - HNT-26 - Howa 1500 - SA - RH - Fixed - ARCA - BCF**

The MDT HNT26 Chassis System is our first truly purpose built hunting chassis. This legendary hunting chassis provides you with all of the usual benefits that you expect from a rifle chassis such as v-block bedding, LOP and comb adjustment, AICS magazine compatibility.

The first purpose-built hunting chassis from MDT. Weighing in starting at 26oz (for chassis, buttstock, forend and grip combined), this is the most ultra-light hunting chassis on the market. The MDT HNT26 is sold as a complete hunting chassis system including magnesium chassis base, carbon fiber forend, carbon fiber grip and foam filled carbon fiber buttstock.

# Safety Instruction Guide for HNT26 Howa 1500 SA RH Fixed ARCA MDT Chassis

## Introduction

Thank you for choosing the HNT26 Howa 1500 SA RH Fixed ARCA MDT Chassis. This product is designed for safe, effective use in hunting and shooting activities. Please read this safety instruction guide carefully to ensure proper handling, installation, and maintenance of your chassis system. Following these guidelines will help you avoid potential hazards and ensure a safe experience.

## General Safety Guidelines

- Product Safety:
  - Always ensure that the chassis is used in accordance with the manufacturer's instructions.
  - Regularly inspect the chassis for any signs of wear or damage.
  - Ensure that the chassis is compatible with your specific rifle model.
- Enhanced Recalls:
  - Stay informed about any recall notices related to this product.
  - If you receive a recall notice, follow the instructions provided for returning or repairing the product.
- Online Shopping:
  - Purchase the chassis only from authorized retailers to ensure product authenticity and safety compliance.
- Special Consumer Focus:
  - This product is not intended for use by children. Keep it out of reach of minors.
- EU Contact Point:
  - For safety inquiries, please refer to the contact information provided on the packaging or the retailer's website.
- Rapid Alerts:
  - Check the EU's Safety Gate platform regularly for updates on product safety and recalls.

## Specific Safety Precautions for Use

- Always use the chassis in a safe and controlled environment.
- Ensure that the rifle is unloaded before attaching or detaching the chassis.
- Use appropriate eye and ear protection while shooting.
- Do not modify the chassis or any of its components.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- Avoid using the chassis in adverse weather conditions that may affect performance.
- Regularly clean and maintain the chassis to ensure optimal performance and safety.

## Instructions for Installation and Usage

### Installation

### **1. Preparation:**

- Ensure that you have all components: magnesium chassis base, carbon fiber forend, carbon fiber grip, and foam filled carbon fiber buttstock.
- Gather necessary tools (if applicable) for assembly.

### **2. Assembly:**

- Start by attaching the magnesium chassis base to your Howa 1500 rifle.
- Secure the carbon fiber forend to the chassis base using the provided screws.
- Attach the carbon fiber grip to the chassis base, ensuring it is firmly secured.
- Finally, attach the foam filled carbon fiber buttstock to the rear of the chassis.

### **3. Adjustment:**

- Adjust the length of pull (LOP) and comb height according to your comfort and shooting style.
- Ensure that all adjustments are securely locked in place before use.

## **Usage**

- Before using the chassis, familiarize yourself with its features and adjustments.
- Always check that the rifle is securely mounted in the chassis.
- Practice shooting in a safe environment to become accustomed to the chassis's handling and performance.
- After each use, ensure the chassis is cleaned and inspected for any damage or wear.

## **Disposal Instructions**

- Dispose of the chassis and its components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the chassis is damaged or no longer usable, consider recycling materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the HNT26 Howa 1500 SA RH Fixed ARCA MDT Chassis, please refer to the contact information provided on the packaging or the retailer's website. Ensure that you have the product details and any relevant information ready for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your HNT26 Howa 1500 SA RH Fixed ARCA MDT Chassis. Always prioritize safety and compliance with local laws and regulations regarding firearm usage. Thank you for your attention to these important safety instructions.
