

Seater with Crimp 1 1/4 - Seater with Crimp 338 Win Mag

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instruction Guide for Seater with Crimp 1 1/4 Seater with Crimp 338 Win Mag

Introduction

Thank you for choosing the Seater with Crimp 1 1/4 Seater with Crimp 338 Win Mag. This product is designed to enhance your reloading experience by providing precise bullet seating and crimping options. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions when using the Seater with Crimp.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear and damage before each use.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper use of the seater may lead to misfires or unsafe ammunition.
 - Handling of reloading equipment can pose risks of injury if not done carefully.
- **Instructions for Avoiding Hazards:**
 - Always wear safety glasses when using the seater to protect your eyes from debris.
 - Ensure that the work area is clean and free of distractions.
 - Do not exceed the maximum recommended load for the cartridges you are using.
 - Use appropriate tools and equipment to ensure a secure fit and operation.
 - Avoid using the seater if you are fatigued or under the influence of substances.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that the reloading press is securely mounted and stable.
 2. Attach the Seater with Crimp to the reloading press according to the manufacturer's instructions.
 3. Verify that the seaterhead is properly installed and tightened.
- **Usage:**
 1. Adjust the seaterhead according to the bullet specifications you are using.
 2. Insert the cartridge case into the seater.
 3. Place the bullet into the case mouth and ensure it is properly aligned.
 4. Operate the reloading press to seat the bullet to the desired depth.
 5. If using the crimp feature, adjust the crimping mechanism as needed and apply the crimp.
 6. Inspect the finished cartridge for proper seating and crimp.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of ammunition or components in regular waste. Follow local guidelines for hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the Seater with Crimp, please refer to the manufacturer's contact information provided in the product packaging or manual.

By following these safety instructions, you will help ensure a safe and successful reloading experience. Thank you for your attention to safety.
