

# LSS Gen3 Kit SA - MDT Chassis - LSS Gen3 System - Remington 700 - SA - RH - Competitor - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

If you're building a match rifle and want to skip the guesswork, the MDT LSS GEN3 Competition Kit is your solution. It takes the most modular rifle chassis system on the market and tunes it for one thing: winning competitions.

No part picking. No mismatched accessories. Just a rock-solid, competition-ready rifle foundation—straight out of the box. Every component in this kit is hand-selected to give you the edge in PRS, NRL, and precision rifle matches. It's not just modular—it's optimized.

The flat, wide Competition Forend with an integrated ARCA rail makes running barricades automatic. Lock in your tripod, clamp your bipod, and go. This isn't a compromise. You get the same rock-solid fitment and zero-retention that the GEN3 is known for—with competition-grade parts pre-installed.

Already a beast, yet still fully modular. Swap the grip. Switch the stock. Add weights, bridges, or accessories. Make it yours.

# Safety Instruction Guide for LSS Gen3 Kit SA MDT Chassis

## Introduction

Thank you for choosing the LSS Gen3 Kit SA MDT Chassis for your Remington 700 rifle. This product is designed to enhance your shooting experience by providing a modular and competitionready platform. However, to ensure your safety and the safety of others, it is essential to follow the guidelines outlined in this document.

## General Safety Guidelines

- Always treat your rifle and its components as if they are loaded.
- Keep the rifle pointed in a safe direction at all times.
- Ensure the safety mechanism is engaged when the rifle is not in use.
- Store the rifle and its components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the chassis and all components for signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Ensure that the chassis is compatible with your specific model of Remington 700.
- Always wear appropriate eye and ear protection when using the rifle.
- Be aware of your surroundings and ensure that the area is clear of bystanders when firing.
- Do not modify the chassis or components in any way that could compromise safety.
- Use only manufacturerapproved accessories and attachments with the chassis.
- Be cautious of the weight distribution when adding accessories to maintain balance and control.

## Instructions for Installation and Usage

### 1. Installation of the Chassis:

- Ensure the rifle is unloaded and the safety is engaged.
- Remove the existing stock from your Remington 700 by unscrewing the bolts securing it to the action.
- Align the action of the rifle with the LSS Gen3 chassis and secure it using the provided screws.
- Ensure all screws are tightened to the manufacturer's specifications to avoid any movement during use.

### 2. Adjusting the Forend and Stock:

- Adjust the forend and stock to your desired length and position.
- Ensure that all adjustments are securely locked in place before use.

### 3. Attaching Accessories:

- Attach bipods, tripods, or other accessories to the integrated ARCA rail as needed.
- Ensure that all accessories are securely fastened and do not obstruct the operation of the rifle.

### 4. PostInstallation Check:

- Perform a thorough check to ensure that all components are securely attached and functioning correctly.
- Test the fitment and ensure that there is no movement of the chassis when the rifle is handled.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding aluminum and firearm components.
- Do not dispose of the chassis in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and usage of the LSS Gen3 Kit SA MDT Chassis, please reach out to the appropriate support channels provided by the manufacturer. Ensure that you have your product details ready for a more efficient response.

Thank you for taking the time to read this safety instruction guide. Your safety and the safety of others is paramount when handling firearms. Enjoy your shooting experience with the LSS Gen3 Kit, and remember to always prioritize safety.
