# LSS Gen3 SA MDT Chassis Safety Instruction Guide

## Introduction

Thank you for choosing the LSS Gen3 SA MDT Chassis LSS Gen3 Savage SA RH FDE. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this manual carefully before using the product.

## General Safety Guidelines

- Ensure that the chassis is used only for its intended purpose as a rifle chassis.
- Always handle the chassis with care to prevent accidents and injuries.
- Keep the chassis and all components out of reach of children and vulnerable individuals.
- Inspect the chassis for any signs of damage before each use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm assembly and usage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use compatible components with the LSS Gen3 chassis to ensure safe and effective operation.
- Always ensure that the rifle is unloaded before handling or assembling any components.
- When assembling or disassembling the chassis, use proper tools and follow the manufacturer's instructions.
- Wear safety glasses and gloves when handling the chassis and its components to protect against potential injuries.
- Ensure that the workspace is clean and free from obstructions to avoid accidents during assembly.
- Avoid placing your fingers near moving parts during assembly and disassembly.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components required for assembly.
- Ensure you are in a welllit and safe environment.

### 2. Assembly Steps

- Attach the forend to the chassis:
  - Align the forend with the chassis rail.
  - Secure it using the provided screws and tools.
- Install the buttstock interface:
  - Align the interface with the designated area on the chassis.
  - Secure it with the appropriate screws.
- Attach the buttstock:
  - Connect the buttstock to the interface.
  - Ensure it is locked in place.
- Install the grip:
  - Position the grip on the chassis.
  - Secure it with screws.

### 3. Final Checks

- Inspect all connections to ensure they are secure.
- Check that the rifle is functioning correctly and safely.

#### 4. Usage

- Always follow safe firearm handling practices when using your rifle.
- Do not exceed the manufacturer's recommended specifications for the chassis and components.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- When disposing of the chassis or its components, consider recycling options where available.
- Ensure that any hazardous materials are disposed of safely and responsibly.

## Contact Information for Further Support

For any inquiries or concerns regarding safety, usage, or product support, please refer to the contact information provided with your purchase. It is important to have access to assistance for any safetyrelated questions.

By following these safety instructions, you can ensure a safe and enjoyable experience with your LSS Gen3 SA MDT Chassis. Always prioritize safety and compliance with local regulations. Thank you for your attention to these important guidelines.
