Safety Instruction Guide for LSS Gen3 SA MDT Chassis LSS Gen3 Tikka SA RH FDE

Introduction

Thank you for choosing the LSS Gen3 SA MDT Chassis. This product is designed to provide a customizable foundation for your rifle build, suitable for competition, hunting, or tactical use. To ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure the chassis is compatible with your rifle model before use.
- Always handle firearms with care and follow standard firearm safety practices.
- Keep the chassis and all components out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Do not modify the chassis in any way that could compromise its integrity or safety.
- Always follow local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Before assembling your rifle, ensure that it is unloaded and the safety mechanism is engaged.
- Use only compatible accessories and components with the LSS Gen3 chassis to avoid malfunctions.
- When using the chassis in a tactical environment, ensure all attachments are securely fastened.
- Avoid using the chassis in extreme weather conditions unless it is rated for such use.
- If you experience any issues during assembly or use, cease operation immediately and consult a qualified professional.

Instructions for Installation and Usage

1. Unpacking the Chassis

- Carefully remove the chassis from its packaging.
- Inspect all components for any damage or missing parts.

2. Assembling the Chassis

- Start by attaching the forend to the chassis base as per the manufacturer's instructions.
- Secure the buttstock interface to the rear of the chassis.
- Attach the buttstock and grip, ensuring all components are tightened properly.

3. Adjusting the Chassis

- Adjust the length of pull and cheek height according to your comfort and shooting style.
- Ensure all adjustments are locked in place before use.

4. Using the Chassis

- Mount your rifle securely into the chassis.
- Confirm that the rifle is stable and all attachments are secure.
- Familiarize yourself with the feel and handling of the chassis before engaging in any shooting activities.

5. PostUse Care

- After use, clean the chassis and components to remove dirt and debris.
- Store the chassis in a safe, dry place when not in use.

Disposal Instructions

- Dispose of the chassis and any components in accordance with local regulations.
- Do not dispose of the chassis in household waste. Check for recycling options or designated disposal sites for aluminum products.

Contact Information for Further Support

For any safety inquiries or additional support regarding the LSS Gen3 SA MDT Chassis, please reach out to the designated EU contact point for assistance.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your LSS Gen3 SA MDT Chassis. Always prioritize safety and responsible handling of firearms and their components.
