Safety Instruction Guide for LSS Gen3 SA MDT Chassis

Introduction

Thank you for choosing the LSS Gen3 SA MDT Chassis designed for the Remington 700. This guide provides essential safety instructions and information to ensure the safe use and maintenance of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always follow local laws and regulations regarding firearm modifications and usage.
- Keep the chassis and all components out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the chassis and firearms.
- Ensure that the firearm is unloaded before attaching or detaching the chassis.
- Do not exceed the manufacturer's recommended specifications for weight and accessories.
- Be aware of your surroundings and ensure a clear and safe shooting environment.
- Avoid using the chassis under extreme conditions (e.g., severe weather) that could compromise safety.

Instructions for Installation and Usage

Installation

1. Preparation

- Gather all necessary tools and components before starting the installation.
- Ensure that the workspace is clean and free of distractions.

2. Attaching the Chassis

- Place the strippeddown chassis on a stable surface.
- Align the Remington 700 action with the chassis.
- Securely fasten the action screws to the chassis using the appropriate tools.
- Ensure that all connections are tight and secure.

3. Adding Components

- Select your desired forend, buttstock interface, buttstock, and grip.
- Follow the manufacturer's instructions for attaching each component.
- Check for compatibility with the chassis and ensure a secure fit.

Usage

- Before each use, perform a safety check on the chassis and all components.
- Make sure to follow proper firearm handling procedures at all times.
- Regularly clean and maintain the chassis to ensure optimal performance and safety.

Disposal Instructions

- Dispose of the chassis and any nonreusable components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of your LSS Gen3 SA MDT Chassis, please refer to the product documentation or contact the manufacturer directly. Ensure you have your product details ready for any assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your LSS Gen3 SA MDT Chassis. Thank you for your attention to these important safety guidelines.
