

Skeleton Rifle Stock - XTN - SRS-XF Premie - MDT Buttstock - Skeleton Rifle Stock - XTN Interface - SRS-XF Premier - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

MDT Skeleton Rifle Stock has Length of Pull adjustment via spacers and adjustable cheek rest with set screws. If using the MDT bolt handle, the buttstock side must fold last and unfold first to ensure it clears the bolt handle.

For chassis and actions requiring correct folding order to avoid contact (specified in notes), the buttstock side must fold last and unfold first to ensure it clears the bolt handle.

MDT Skeleton Rifle Stock Safety Instructions

Introduction

Thank you for choosing the MDT Skeleton Rifle Stock XTN SRSXF Premier. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully before installation and use to ensure proper handling and maintenance.

General Safety Guidelines

- Ensure safe use of the MDT Skeleton Rifle Stock by following these guidelines:
 - Always handle the rifle stock with care.
 - Check for any visible damage or defects before use.
 - Store the rifle stock in a safe and dry location when not in use.
 - Keep the product out of reach of children and vulnerable individuals.
 - Regularly inspect the stock for wear and tear.
 - Follow all applicable laws and regulations regarding firearm accessories in your region.

Specific Safety Precautions for Use

- To prevent accidents and injuries, observe the following precautions:
 - Ensure the rifle is unloaded before attaching or detaching the stock.
 - Use the stock only with compatible chassis and actions as specified by the manufacturer.
 - Always ensure the buttstock side folds last and unfolds first to avoid contact with the bolt handle.
 - Avoid using excessive force when adjusting the length of pull or the cheek rest.
 - Do not modify the stock in any way that could compromise its integrity or safety features.
 - Be aware of your surroundings and ensure a safe environment when using the rifle.

Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the MDT Skeleton Rifle Stock:

1. Installation:

- Ensure the rifle is unloaded and in a safe condition.
- Align the stock with the chassis or action according to the manufacturer's specifications.
- Secure the stock using the appropriate screws or fasteners provided.
- Adjust the length of pull using the spacers as needed.
- Set the cheek rest to your preferred height using the set screws.

2. Usage:

- When ready to shoot, ensure that the stock is properly secured to the rifle.
- Always check that the bolt handle clears the stock when folding or unfolding.
- Maintain a firm grip on the rifle while aiming and shooting.
- After use, ensure the rifle is unloaded and store it safely.

Disposal Instructions

- When disposing of the MDT Skeleton Rifle Stock, follow these guidelines:
 - Do not dispose of the stock in regular household waste.
 - Check local regulations for proper disposal methods for aluminum and other materials.
 - Consider recycling the stock if possible to minimize environmental impact.

Contact Information for Further Support

- For any safety inquiries or concerns regarding the MDT Skeleton Rifle Stock, please refer to the manufacturer's contact information, which can typically be found on their official website or product packaging.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your MDT Skeleton Rifle Stock. Always prioritize safety and compliance with local regulations to protect yourself and others. Thank you for your attention to these important safety measures.
