

LSS Gen3 Kit LA - MDT Chassis - LSS Gen3 System - Howa 1500 - LA - RH - Tactical - FDE

Need one rifle that can do it all? Start here. The MDT LSS GEN3 Tactical Kit is built around flexibility, reliability, and rugged performance. Whether you need a dependable truck gun, a backcountry bolt rig, or a custom setup for the range, this kit has you covered.

You get the familiar AR-15 feel you know, combined with bolt-action precision you can trust. Fully capable. Fully upgradeable. Ready for anything.

This isn't some lightweight, minimalist build. The Tactical Kit is made to take a beating and keep going—featuring a rock-solid fit, a rigid forend, and durable construction throughout. Built to work. Built to last.

The SCS Buttstock gives you toolless control over length of pull, cheek height, and buttpad position, letting you dial in your setup on the fly. The Tactical Forend comes loaded with M-LOK slots on all five faces, ready for whatever your mission demands—bipod, weights, sling, light, spare rounds, and more.

Tough. Adaptable. Reliable. Whatever you throw at it, the MDT LSS GEN3 Tactical Kit is ready.

Safety Instruction Guide for LSS Gen3 Kit LA MDT Chassis

Introduction

Thank you for choosing the LSS Gen3 Kit LA MDT Chassis. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read this document carefully before using the kit.

General Safety Guidelines

- Ensure safe use of the LSS Gen3 Kit by following all safety instructions.
- Always handle firearms with care and respect, treating every firearm as if it is loaded.
- Keep the product away from children and unauthorized users.
- Regularly inspect the kit for any signs of damage or wear before use.
- Store the kit in a secure location when not in use.

Specific Safety Precautions for Use

- Always use appropriate eye and ear protection when operating firearms.
- Ensure that the firearm is unloaded when installing or adjusting the kit.
- Avoid using the kit in wet or damp conditions to prevent corrosion and damage.
- Be aware of your surroundings and ensure a clear shooting area before use.
- Follow all local laws and regulations regarding firearm usage and modifications.

Instructions for Installation and Usage

1. Unpacking the Kit

- Carefully remove the kit from its packaging.
- Inspect all components for damage or missing parts.

2. Installation Steps

- Ensure the firearm is unloaded and pointed in a safe direction.
- Attach the chassis to the Howa 1500 action according to the manufacturer's instructions.
- Securely fasten all screws and components to ensure stability.

3. Adjusting the SCS Buttstock

- To adjust the length of pull, cheek height, and buttpad position, simply use the toolless adjustment features.
- Make adjustments while the firearm is in a safe, unloaded state.

4. Using the Tactical Forend

- Attach accessories using the MLOK slots as needed for your mission.
- Ensure all attachments are secure before use.

5. Final Checks

- After installation, perform a function check to ensure all components are operating correctly.
- Store the kit in a safe location when not in use.

Disposal Instructions

- Dispose of the kit in accordance with local regulations.
- Contact local waste management authorities for guidance on disposing of materials that may be considered hazardous.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's website or contact their customer support service.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your LSS Gen3 Kit LA MDT Chassis. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
