Safety Instruction Guide for LSS Gen3 SA MDT Chassis

Introduction

Thank you for choosing the LSS Gen3 SA MDT Chassis for your Savage Axis rifle. This guide provides essential safety instructions to ensure safe usage, installation, and disposal of the product. Please read all sections carefully before using the chassis.

General Safety Guidelines

- Ensure that you are familiar with the operation of your rifle and the components involved in the installation of the chassis.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Store the chassis and all firearm components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the chassis and associated components for wear or damage before use.
- Follow all local laws and regulations regarding firearm usage and modifications.

Specific Safety Precautions for Use

- **Assembly Safety:**
 - Use proper tools and follow the manufacturer's instructions when assembling the chassis.
 - Wear safety glasses to protect your eyes when working with tools and components.
- **Firearm Compatibility:**
 - Ensure that the chassis is compatible with your specific model of Savage Axis before installation.
- **Shooting Environment:**
 - Always shoot in a safe and controlled environment, such as a designated shooting range.
- **Personal Protective Equipment (PPE):**
 - Always wear appropriate hearing protection and eye protection when shooting.
- **Child Safety:**
 - Keep the chassis and any firearm components out of reach of children. Educate family members about firearm safety.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components before beginning the installation.
- Ensure that your workspace is clean and free from distractions.

2. Installation Steps:

- Remove the barreled action from your Savage Axis rifle.
- Carefully follow the manufacturer's instructions to attach the chassis to the barreled action.
- Ensure that all screws and fasteners are tightened securely, but do not overtighten.
- Install your chosen forend, buttstock interface, buttstock, and grip according to the manufacturer's guidelines.

3. Usage:

- Familiarize yourself with the operation of the modified rifle before using it in a live setting.
- Practice safe handling and shooting techniques at all times.

Disposal Instructions

- Dispose of the chassis according to local regulations regarding metal and firearm components.
- Do not dispose of the chassis in regular household waste.
- If you are unsure about disposal methods, contact local waste management authorities for guidance.

Contact Information for Further Support

For any safety inquiries or support related to the LSS Gen3 SA MDT Chassis, please refer to the manufacturer's contact information or website.

By following these safety instructions, you can ensure a safer experience while using the LSS Gen3 SA MDT Chassis. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important guidelines.
