# LSS Gen3 SA MDT Chassis Safety Instruction Guide

## Introduction

Thank you for choosing the LSS Gen3 SA MDT Chassis for your Remington 700 rifle. This guide provides essential safety instructions to ensure the safe use and maintenance of your chassis. Please read this guide carefully before use to understand the safety precautions and proper handling procedures.

## General Safety Guidelines

- Always treat your chassis and firearm as if they are loaded.
- Keep the chassis and all firearm components out of reach of children and unauthorized users.
- Inspect the chassis regularly for any signs of wear, damage, or malfunction.
- Always use the chassis in accordance with the manufacturer's instructions and guidelines.
- Ensure that you are familiar with local laws and regulations regarding firearm use and modifications.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the chassis is compatible with your specific model of Remington 700.
- Always wear appropriate safety gear, including eye protection, when using firearms.
- Do not exceed the weight limit of the chassis as specified in the manufacturer's guidelines.
- Avoid using the chassis in extreme temperatures or conditions that may affect its integrity.
- Only use accessories and components that are specifically designed for use with the LSS Gen3 chassis.
- Never modify the chassis or its components in a way that could compromise safety.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully read the installation instructions provided with the chassis.
- Ensure you have all necessary tools and components before beginning installation.
- Follow these steps for installation:
  - Remove the existing stock from your Remington 700.
  - Align the action of the rifle with the chassis.
  - Secure the action using the provided screws and tools.
  - Attach your chosen forend, buttstock interface, buttstock, and grip.
  - Doublecheck all connections to ensure they are secure and properly fitted.

### 2. Usage:

- Familiarize yourself with the operation of your rifle once installed in the chassis.
- Practice safe handling and shooting techniques at all times.
- Regularly clean and maintain your chassis and rifle to ensure optimal performance.
- Store your rifle in a secure location when not in use.

## Disposal Instructions

- Dispose of the chassis and any components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- If the chassis is damaged beyond use, consider recycling materials where possible.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the LSS Gen3 SA MDT Chassis, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your LSS Gen3 SA MDT Chassis. Always prioritize safety in all your firearmrelated activities. Thank you for your attention to these important safety measures.
