

Chassis - CRBN Stock - Remington700 RH - CRBN Stock - Rem 700 - SA - RH - Fixed - ARCA - Veil Cumbre

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Constructed from foam-filled carbon fiber, the MDT CRBN Rifle Stock is exceptionally lightweight yet durable, allowing you to navigate rugged terrain on long hunts without feeling burdened. At the same time, you can trust that this stock will withstand tough conditions and heavy use.

The magnesium micro chassis with V-block bedding ensures a secure and stable action installation, providing a rock-solid foundation for your rifle. The rigid, wide forend eliminates flex, allowing for quicker follow-up shots and better trace spotting, which enhances both your precision and stability in any shooting scenario.

The foam-filled CRBN Stock also absorbs harmonic vibrations, giving the rifle a "dead-feel," allowing you to better track your shot, stay on target, and shoot more comfortably for extended periods.

With an integrated ARCA rail and M-LOK slots, the MDT CRBN Rifle Stock offers flexible options for mounting bipods, tripods, and other accessories, making it adaptable to your specific shooting needs. The adjustable length of pull via spacers, integrated thumb shelf, and front and rear QD cups for attaching QD slings ensure optimal comfort and ergonomic support, perfect for long hunts and competitions.

Limited hydro-dipped CRBN rifle stocks, once sold out, this pattern will not be offered again.

MDT CRBN Stock Safety Instruction Guide

Introduction

Thank you for choosing the MDT CRBN Stock for your Remington 700 rifle. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before using the MDT CRBN Stock.

General Safety Guidelines

- Ensure that you are familiar with the basic operation of your firearm and its components before using the MDT CRBN Stock.
- Always handle firearms with care and treat them as if they are loaded.
- Keep the MDT CRBN Stock and all firearms out of reach of children and unauthorized users.
- Use the MDT CRBN Stock only for its intended purpose, which is to enhance the performance and stability of your Remington 700 rifle.
- Regularly inspect the MDT CRBN Stock for any signs of wear or damage before each use. If any issues are found, discontinue use immediately and seek assistance.
- Store the MDT CRBN Stock in a cool, dry place when not in use to prevent damage.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure that the rifle is properly secured in the MDT CRBN Stock before firing.
- Avoid shooting in areas where there are people or animals nearby.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- Do not modify the MDT CRBN Stock or any of its components, as this may compromise safety and performance.
- Do not exceed the manufacturer's recommended specifications for your Remington 700 rifle.

Instructions for Installation and Usage

1. Installation of the MDT CRBN Stock:

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from the Remington 700 rifle according to the manufacturer's instructions.
- Align the MDT CRBN Stock with the action of the rifle and securely attach it using the provided screws and tools.
- Check that the stock is firmly attached and does not wobble or shift.

2. Usage Guidelines:

- Adjust the length of pull using the spacers provided to ensure a comfortable fit.
- Utilize the integrated thumb shelf for better grip and control while aiming.
- Attach any accessories, such as bipods or slings, to the ARCA rail and MLOK slots as needed.
- Practice proper shooting stance and technique to maximize the benefits of the MDT CRBN Stock.

Disposal Instructions

- When the MDT CRBN Stock reaches the end of its life cycle or if it becomes damaged beyond repair, dispose of it in accordance with local regulations regarding the disposal of composite materials.
- Do not incinerate the MDT CRBN Stock, as it may release harmful substances when burned.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the MDT CRBN Stock, please refer to the manufacturer's contact information provided with your product.

Conclusion

The MDT CRBN Stock is designed to enhance your shooting experience while ensuring safety and stability. By following these guidelines, you can enjoy the benefits of your new stock while minimizing risks. Always prioritize safety and responsible firearm handling. Thank you for choosing MDT.
