Safety Instruction Guide for Henry Big Boy Lever Rifle Peep Sight

Introduction

Thank you for choosing the Henry Big Boy Lever Rifle Peep Sight. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only by individuals who are familiar with firearm safety and handling.
- Always treat the rifle as if it is loaded, even if you believe it is not.
- Keep the sight and rifle in a secure location, away from children and unauthorized users.
- Regularly inspect the sight for any signs of wear or damage before each use.
- Do not use the sight if it is damaged or malfunctioning. Contact a qualified professional for repairs.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure that your shooting area is safe and free from obstructions.
- Use the sight only for its intended purpose; do not modify or alter it in any way.
- Ensure that the sight is properly mounted and securely fastened to the rifle to avoid accidents.
- Avoid using the sight in adverse weather conditions, such as heavy rain or fog, which may impair visibility.
- Do not attempt to adjust the sight while aiming or firing the rifle.

Instructions for Installation and Usage

1. Installation:

- Begin by ensuring the rifle is unloaded and safe to handle.
- Remove any existing rear sight if necessary.
- Align the sight base with the mounting holes on the rifle.
- Secure the sight base using the provided mounting screws and an Allen wrench.
- Adjust the sight's windage and elevation screws to your preference.

2. Usage:

- When aiming, align the peep sight with the target for accurate shooting.
- Use the bright green fiber optics for quick aiming in lowlight conditions.
- For optimal performance, pair the sight with a TruGlo front sight to utilize a threedot system.
- Regularly practice shooting to become familiar with the sight's adjustments and capabilities.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the sight becomes damaged beyond repair, contact local waste management for guidance on proper disposal methods.
- Do not dispose of the sight in regular household waste if it contains hazardous materials.
