

# XRS Complete Chassis System Savage - XRS - Remington 700 Long Action - CIP (3.850) - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

XRS is not just a chassis, it is a complete stock with nothing else to buy, except AICS -type magazine(s) for your action and caliber. No AR parts needed. A more traditional stock design, but still adjustable with included spacers and grip panels. Drop-in, no bedding needed.

# MDT XRS Complete Chassis System Safety Instructions

## Introduction

Thank you for choosing the MDT XRS Complete Chassis System for your Remington 700 Long Action rifle. This guide provides essential safety instructions and usage guidelines to ensure your safety and the proper functioning of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure safe use of the MDT XRS Complete Chassis System by following these guidelines:
  - Always handle firearms responsibly and in accordance with local laws and regulations.
  - Keep the chassis system and all related components out of reach of children and unauthorized users.
  - Regularly inspect the chassis for any signs of wear or damage before use.
  - Always wear appropriate safety gear, including eye and ear protection, when using firearms.
  - Store the chassis system in a secure location when not in use.
  - Report any unsafe conditions or accidents related to the product to the appropriate authorities.

## Specific Safety Precautions for Use

- When using the MDT XRS Complete Chassis System, please observe the following safety precautions:
  - Ensure that the rifle is unloaded before installation or adjustment of the chassis system.
  - Do not modify the chassis system or any of its components in any way.
  - Always use AICStype magazines that are compatible with your action and caliber.
  - Check that all screws and fasteners are tightened before each use to ensure stability.
  - Do not exceed the manufacturer's specifications for weight and accessories mounted on the chassis.
  - Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the MDT XRS Complete Chassis System:

### 1. Preparation:

- Gather all necessary tools and components before starting the installation.
- Ensure that your workspace is clean and free from distractions.

### 2. Installation:

- Remove the existing stock from your Remington 700 Long Action rifle.
- Align the action of the rifle with the MDT XRS chassis.
- Secure the action to the chassis using the provided screws and fasteners.
- Adjust the spacers and grip panels as desired for a comfortable fit.
- Ensure that the chassis is properly seated and stable before proceeding.

### 3. Usage:

- Load the AICStype magazine with the appropriate ammunition for your caliber.
- Insert the magazine into the chassis and ensure it is locked in place.

- Conduct a function check to ensure that the rifle operates correctly with the new chassis.
- Always follow safe shooting practices and guidelines when using the rifle.

## **Disposal Instructions**

- Proper disposal of the MDT XRS Complete Chassis System is important for environmental safety:
  - When the chassis system reaches the end of its life, dispose of it in accordance with local regulations.
  - Recycle materials where possible, such as aluminum components.
  - Do not dispose of the chassis in regular household waste.

## **Contact Information for Further Support**

For further support or inquiries regarding the MDT XRS Complete Chassis System, please contact the manufacturer or your retailer. Ensure that you have your product details and any relevant information ready for assistance.

Thank you for prioritizing safety and following these guidelines. Enjoy your shooting experience with the MDT XRS Complete Chassis System!
