MDT Buttstock Skeleton Rifle Stock Safety Instruction Guide

Introduction

Thank you for choosing the MDT SRSX Lite Buttstock. This guide provides essential safety instructions to ensure the proper use and maintenance of your product. Please read this manual carefully before using the buttstock to ensure a safe and enjoyable shooting experience.

General Safety Guidelines

- Ensure that the buttstock is compatible with your rifle and meets all safety standards.
- Always handle firearms with care and follow all local laws and regulations regarding firearm safety.
- Store the buttstock and any associated equipment in a secure location, away from children and unauthorized users.
- Regularly inspect the buttstock for any signs of wear or damage. If any issues are found, discontinue use immediately and seek professional assistance.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or adjusting the buttstock.
- Use the buttstock only for its intended purpose; do not modify or alter it in any way.
- Adjust the Length of Pull (LOP) and cheek riser settings only when the firearm is not in use.
- Keep your fingers away from the trigger and ensure the firearm is pointed in a safe direction during adjustments.
- Be aware of your surroundings and ensure a safe shooting environment at all times.
- If you are inexperienced or unsure about using the buttstock, seek guidance from a qualified instructor.

Instructions for Installation and Usage

Installation

1. **Compatibility Check:** Ensure that the MDT SRSX Lite Buttstock is compatible with your MDT chassis system using the XTN interface.
2. **Prepare the Firearm:** Make sure the firearm is completely unloaded and pointed in a safe direction.
3. **Attach the Buttstock:**
 - Align the buttstock with the XTN interface on your chassis system.
 - Securely fasten the buttstock using the appropriate screws provided in the packaging.
4. **Check Stability:** After installation, gently shake the buttstock to ensure it is securely attached.

Adjustments

1. **Length of Pull (LOP):**
 - Use the included spacers to adjust the LOP to your preference.
 - To adjust, remove the spacers and replace them as needed to achieve the desired length.
2. **Cheek Riser:**
 - Adjust the cheek riser by loosening the set screws. Move the riser up, down, or fronttoback as needed.
 - Once in the desired position, tighten the set screws securely.
3. **Buttpad Adjustment:**
 - Move the buttpad in or out to further customize your LOP.
 - Ensure it is locked in place before use.

Maintenance

- Regularly inspect all components for wear and tear.
- Clean the buttstock with a soft, dry cloth. Avoid using harsh chemicals that may damage the finish.
- Store the buttstock in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the MDT SRSX Lite Buttstock in accordance with local waste management regulations.
- Do not dispose of the buttstock in regular household waste.
- If the product is damaged beyond repair, consider recycling the aluminum components where facilities exist.

Contact Information for Further Support

For any questions or concerns regarding the MDT SRSX Lite Buttstock, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website for additional support.

By following these safety instructions, you can ensure a safe and effective experience with your MDT SRSX Lite Buttstock. Thank you for prioritizing safety and responsible firearm use.
