

TIMBR Core - MDT Chassis - TIMBR Core - Ruger American - SA - RH - WNT

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT TIMBR CORE is the ultimate fusion of timeless craftsmanship and modern engineering. Built from solid walnut and reinforced with a proven aluminum micro-chassis, it combines the warmth of wood with the repeatability of metal.

Its integrated V-block bedding system locks your action perfectly in place—no bedding, no gunsmithing, no guesswork. Just torque it down and shoot with confidence. Whether you're in the whitetail woods or at the weekend range, the TIMBR CORE delivers reliability and precision every single time.

Every stock is one of a kind: the grain, color, and finish of the walnut are 100% unique, giving your rifle a character all its own. Beneath the smooth wooden exterior lies a rock-solid aluminum backbone that eliminates flex and ensures repeatable groups, shot after shot.

Ergonomic enhancements inspired by our chassis systems—refined grip angles, LOP spacers, and improved geometry—make the TIMBR CORE exceptionally comfortable without sacrificing the classic look and feel of a traditional wood stock.

MDT TIMBR CORE - Your rifle stock, your style, your precision.

MDT TIMBR Core Safety Instructions

Introduction

Thank you for choosing the MDT TIMBR Core. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Always treat the rifle as if it is loaded, even if you believe it is not.
- Keep the rifle pointed in a safe direction at all times.
- Ensure the safety is engaged when not in use and during transport.
- Store the rifle in a secure location, out of reach of children and unauthorized users.
- Regularly check for any signs of wear or damage to the stock and components.
- Use only compatible ammunition as specified by the firearm manufacturer.
- Always wear appropriate eye and ear protection when shooting.

Specific Safety Precautions for Use

- Inspect the MDT TIMBR Core for any defects before each use.
- Ensure that the action is clear and the rifle is unloaded before performing any maintenance or adjustments.
- Do not modify the MDT TIMBR Core in any way that could compromise its safety or performance.
- Avoid using the rifle in adverse weather conditions that could affect its functionality, such as heavy rain or extreme temperatures.
- Be aware of your surroundings and ensure that there are no people or animals in the vicinity when shooting.
- Follow all local laws and regulations regarding firearm use and ownership.

Instructions for Installation and Usage

1. Installation:

- Ensure that the rifle is unloaded and the action is clear.
- Remove any existing stock from the rifle according to the manufacturer's instructions.
- Align the MDT TIMBR Core with the rifle's action and secure it using the provided screws.
- Tighten the screws to the manufacturer's specifications to ensure a secure fit.

2. Usage:

- Adjust the length of pull (LOP) spacers as needed for a comfortable fit.
- Familiarize yourself with the grip angles and ergonomics of the TIMBR Core before taking your first shot.
- Always check the bedding system to ensure that the action is locked in place before shooting.
- After each shooting session, clean the rifle and inspect the TIMBR Core for any signs of wear or damage.

Disposal Instructions

- Dispose of the MDT TIMBR Core in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for proper disposal options.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MDT TIMBR Core, please refer to the manufacturer's contact information provided with your product. Ensure that you have the product details ready for any inquiries.

By following these guidelines, you can ensure a safe and enjoyable experience with your MDT TIMBR Core. Always prioritize safety and responsibility when handling firearms.
