

ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Ruger American - Rimfire - RH - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

Attributes

Safety Instruction Guide for the ACC Premier Gen 2 Folding System MDT Chassis

Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis. This product is designed for competitive shooting and offers enhanced stability and versatility. To ensure safe use and optimal performance, please read this safety instruction guide carefully. It is important to understand the safety guidelines and installation procedures to avoid any hazards.

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use in competitive shooting environments. Always follow the safety instructions provided.
- **Enhanced Recalls:** In the event of a product recall, standardized notices will be issued. Please stay informed about any updates related to this product.
- **Online Shopping Protections:** When purchasing online, ensure that the retailer complies with safety regulations equivalent to those of physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when this product is used by vulnerable groups, such as children. Ensure that this product is used only by individuals who are trained in its operation.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point for this product.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Always ensure that the chassis is correctly installed before use.**
- **Use only compatible accessories and components with the MDT Chassis.**
- **Regularly inspect the chassis for any signs of wear or damage.**
- **Ensure that the rifle is unloaded when installing or adjusting the chassis.**
- **Do not exceed the weight limits specified for the MDT Chassis.**
- **Avoid using the chassis in extreme weather conditions that may affect performance.**
- **Keep the chassis away from children and unauthorized users.**
- **Follow all local laws and regulations regarding firearm use.**

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and safe to handle.
- Drop your action into the chassis.
- Secure the action in place using the two screws provided. Make sure they are tightened adequately but do not overtighten.
- Check that the rifle is stable and properly secured within the chassis.

2. Usage:

- Adjust the cheek weld, hand position, and length of pull to fit your personal preferences.
- Ensure that the forend is free of obstructions before taking aim.
- Use the ARCA rail for mounting bipods and tripods to enhance stability and control.
- Regularly check the balance of your rifle to ensure optimal performance during shooting.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local waste management regulations.
- When disposing of the chassis or any components, ensure they are handled in a way that does not pose a risk to the environment.
- Check local guidelines for the proper disposal of aluminum materials.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the ACC Premier Gen 2 Folding System MDT Chassis, please refer to the manufacturer's contact point provided with your product documentation.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 Folding System MDT Chassis. Thank you for your attention to these important guidelines.
