# HOWA 1500 Trigger Safety Instruction Guide

## Introduction

Thank you for choosing the HOWA 1500 trigger. This guide provides essential safety information and instructions to ensure the safe use of your trigger. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always handle the trigger with care and ensure it is not loaded when performing maintenance or adjustments.
- Keep the trigger out of reach of children and unauthorized users.
- Ensure that the trigger is installed by a qualified gunsmith or experienced individual to avoid improper installation.
- Regularly inspect the trigger for any signs of wear or damage. If any issues are found, cease use immediately and seek professional assistance.
- Store the trigger in a secure location when not in use to prevent unauthorized access.
- Follow all local laws and regulations regarding firearm safety and usage.

## Specific Safety Precautions for Use

- **Pull Weight Adjustment:** Adjust the pull weight only when the trigger is not installed on a firearm. Ensure that the adjustment is made according to the manufacturer's specifications.
- **Sear Engagement:** Ensure that the sear engagement is properly adjusted to avoid accidental discharges.
- **OverTravel Adjustment:** Regularly check the overtravel adjustment to ensure it is set according to your preference and safety standards.
- **Safety Mechanism:** Always engage the side safety when the firearm is not in use or when performing maintenance.
- **Test Functionality:** After installation or adjustment, test the trigger functionality in a safe environment before using it in the field.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction before beginning installation.
- Remove the existing trigger if applicable, following the manufacturer's instructions.
- Install the HOWA 1500 trigger by securing it in place according to the firearm's specifications.
- Adjust the pull weight, sear engagement, and overtravel settings as needed, ensuring all adjustments are made according to the guidelines provided in this manual.

### 2. Usage:

- Always verify that the firearm is unloaded before handling.
- Engage the safety mechanism when the firearm is not in use.
- When ready to fire, disengage the safety and ensure proper grip and stance.
- Maintain focus and control while using the firearm to ensure safe operation.

## Disposal Instructions

- Dispose of the trigger and any associated materials in accordance with local regulations regarding electronic waste and metal disposal.
- Do not dispose of the trigger in regular household waste. Instead, contact a local waste management

facility for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please reach out to your local dealer or manufacturer support. Always ensure you have the latest information and updates regarding product safety and recalls.

## **Conclusion**

By following this safety instruction guide, you can ensure the safe and effective use of your HOWA 1500 trigger. Always prioritize safety and compliance with local laws and regulations. Thank you for your commitment to safety.
