

DEBRIS CATCHER FOR CASEFEEDER FOR DILLON SUPER 1050 - Debris Catcher for Dillon Casefeeder (Dillon RL1100)

The Dillon Casefeeder features two drainage holes at the bottom-rear of the bowl assembly. These holes allow accumulated spent powder, polishing media, and general debris to drain out of the bowl. If left unchecked, this crud can spill all over your press and workbench. While most reloaders resort to taping a plastic cup or spent shell casings to the back of the feeder to catch the debris, this premium upgrade accomplishes the exact same thing in a far more elegant manner.

Attributes

- Name: Debris Catcher for Dillon Casefeeder (Dillon RL1100)
- Manufacturer: ARMANOV
- Product no.: EU2018329
- Mfr. No.: DCCFD1100
- Colour: Blue
- Material: Plastic
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Safety Instruction Guide for ARMANOV Debris Catcher for Dillon Casefeeder

Introduction

Thank you for choosing the ARMANOV Debris Catcher for Dillon Casefeeder. This product is designed to enhance your reloading experience by effectively collecting debris and ensuring a cleaner workspace. Please read this safety instruction guide carefully to ensure safe and proper usage of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of this product by following all instructions provided.
- This product is not intended for children. Keep out of reach of minors.
- Always inspect the product for any signs of damage before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to local authorities.

Specific Safety Precautions for Use

- Only use the debris catcher with compatible Dillon Casefeeders (Dillon RL1100).
- Do not attempt to modify the product in any way.
- Avoid overfilling the debris catcher to prevent spills.
- Ensure that the debris catcher is securely attached before operating the casefeeder.
- Regularly check the drainage holes for blockages to maintain proper functionality.

Instructions for Installation and Usage

1. Installation

- Remove the debris catcher from its packaging.
- Locate the back of the Dillon Casefeeder.
- Align the debris catcher with the two drainage holes at the bottomrear of the bowl assembly.
- Securely attach the debris catcher to the casefeeder, ensuring it is firmly in place.

2. Usage

- Operate the Dillon Casefeeder as per the manufacturer's instructions.
- Monitor the debris catcher for accumulated debris during operation.
- Once the debris catcher is full, carefully detach it from the casefeeder.
- Dispose of the collected debris in accordance with local waste disposal regulations.

Disposal Instructions

- Dispose of the debris catcher responsibly when it reaches the end of its life.
- Check local regulations for proper disposal methods for plastic products.
- Do not dispose of the product in regular household waste unless permitted.

Contact Information for Further Support

For any questions or concerns regarding the ARMANOV Debris Catcher for Dillon Casefeeder, please refer to the manufacturer's support resources. Ensure you have the product details ready for assistance.

Thank you for prioritizing safety and proper usage. Enjoy your reloading experience with the ARMANOV Debris Catcher!
