

CLICKABLE DILLON PRECISION POWDER THROWER KNOB ASSEMBLY - 50 CLICKS - Hi-Flow Powder Funnel for Dillon Powder Measure | .223 Rem

Powder funnel for activating the Dillon automatic powder measure system. Compared to the original Dillon part, the internal geometry of the Armanov .223 Powder Funnel is substantially different. Thanks to its internal tapered cone, powder flows more consistently and up to 40% faster through the funnel. The Armanov .223 Powder Funnel directly replaces the original Dillon Powder Funnel Type A (#13426). Made from premium stainless steel in our EU factory.

Attributes

ARMANOV CLICKABLE DILLON PRECISION POWDER THROWER KNOB ASSEMBLY 50 CLICKS

Safety Instruction Guide

Introduction

Thank you for choosing the Armanov Clickable Dillon Precision Powder Thrower Knob Assembly. This product is designed to enhance your reloading experience with improved powder flow. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that all users are aware of the safety instructions before using the product.
- Always handle the powder thrower and associated components with care to avoid accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage before each use.
- Report any unsafe product conditions or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the Armanov .223 Powder Funnel only with Dillon Powder Measure systems.
- Ensure that the powder measure is securely mounted and stable before use.
- Avoid overfilling the powder funnel to prevent spillage and potential hazards.
- Do not attempt to modify or alter the product in any way.
- Wear appropriate personal protective equipment (PPE) such as safety glasses when using the product.
- Store the powder funnel in a dry and safe location when not in use.

Instructions for Installation and Usage

1. Installation:

- Remove the original Dillon Powder Funnel Type A (#13426) from the powder measure.
- Align the Armanov .223 Powder Funnel with the opening of the powder measure.
- Gently press the funnel into place until it is securely fitted.

2. Usage:

- Ensure that the powder measure is properly calibrated before adding powder.
- Add the desired amount of powder to the funnel.
- Activate the powder measure to dispense the powder.
- Monitor the flow of powder through the funnel to ensure consistent dispensing.
- After use, clean the funnel and powder measure to prevent residue buildup.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer usable, ensure it is disposed of in a safe manner to prevent injury or environmental harm.
- Recycle materials where possible, following local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the Armanov Clickable Dillon Precision Powder Thrower Knob Assembly, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website for more details.

Thank you for prioritizing safety while using the Armanov Clickable Dillon Precision Powder Thrower Knob Assembly. Your adherence to these guidelines helps ensure a safe and enjoyable reloading experience.
